More Brit troops to fight ISIS

AN extra deployment of British troops numbering "in the low hundreds" will be sent to Iraq next month to train local forces battling Islamic State militants, Defence Secretary Michael Fallon has announced.

He said details of the contribution to an international mission were still being finalised but would probably include a contingent of combat-ready British soldiers at four U.S.-led "safe" centres.

The move represents a significant swelling of the 50-strong British force presently engaged in preparing Iraqi and Kurdish fighters for a new phase of the fight to retake swathes of territory.

Mr Fallon told the *Daily Telegraph* a big element of the UK contribution will be passing on experience gained during the 13-year war with the Taliban in Afghanistan dealing with roadside bombs and IEDs.

Militants shoot down chopper

ISLAMIC State (ISIS) militants have shot down an Iraqi military helicopter, officials said today, killing the two pilots on board and raising fresh concerns about the extremists' ability to attack aircraft in U.S.-led coalition air strikes.

The attack happened in the Shiite holy city of Samarra, about 60 miles north of Baghdad.

A Defence Ministry official said that the Sunni militants used a shoulder-fired rocket launcher to shoot down the EC635 helicopter.

PANIC AS SNOW FALLS ...IN WINTER

BRITAIN'S armed forces were placed on red alert last night after relatively-light dustings of snow fell on higher ground across the country.

Mountains, where wintry conditions occur as rarely as every year, were covered in the 'snow' – a substance thought to be a frozen form of rain.

The dangers of so-called 'winter' were highlighted when a dog fell into a pond in Scotland. It's believed the dog chased a duck across thin ice.

Firemen rescued the dog from Keptie Pond, Arbroath, utilising their wet weather equipment, lifejackets and large axes.

The Queen – who is on standby to flee to the Caribbean if the snowy conditions continue – has been asked to be kept informed of developments.

Respected weather journal the *Daily Express* warned that this winter may be the worst since the last Ice Age and predicted sabre-toothed tigers and even migrant mammoths may be roaming areas of Hampshire and Surrey as early as Wednesday.

12 die in Taliban's kill spree

TALIBAN gunmen in Afghanistan have been accused of killing 12 landmine clearers on a day of attacks that saw at least eight other people killed.

Another 12 mine clearers were injured when the Taliban struck in Helmand province, police said, adding that four were later killed.

A suicide bomber killed seven soldiers on a bus in Kabul and a court official was shot dead elsewhere in the capital.

As well as the de-miners killed, several others were reported missing, believed abducted.

They came under attack near the former British base of Camp Bastion by gunmen reportedly riding motorcycles, local authorities report.

Taliban attacks have mounted as the U.S. and Nato wind down their mission.

ILLEGAL MIGRANT KILLED UNDER HGV

Death causes traffic chaos

RISKTAKERS: Migrants in Calais board lorries bound for Britain

A MIGRANT who had travelled to the UK from Calais clinging to the underside of a lorry died after falling beneath the vehicle's wheels.

By SIMON DEAN
simon@sundaysport.co.uk

Cops are appealing for witnesses to the fatality that took place at 7pm on Friday between junctions 24 and 25 of the M25.

Two men from Sudan are believed to have climbed underneath a foreign HGV in the French port at around 11am and wedged themselves into position, Scotland Yard said.

The lorry boarded Eurostar and arrived in England about 40 minutes later.

It then travelled toward London and joined the M25. The two men, still clinging to the underside of the HGV, had become extremely cold and decided to leave the lorry while it was stationary in lane one of the motorway.

One of them worked himself free and clambered down the nearby grass verge.

Police said the second man attempted to do the same, but the lorry began to move off and he is believed to have fallen beneath its rear wheels.

A member of the public stopped and pulled the man to the edge of the carriageway. He then drove off.

A second member of the public stopped and offered assistance.

London's Air Ambulance attended but the man was pronounced dead at the scene.

Traffic on the M25 and surrounding routes suffered major delays due to a road closure.

Police have now traced the lorry driver, who they believe was unaware of the incident and so did not stop at the scene.

A spokeswoman for the Met Police said: "No arrests have been made and he is helping with inquiries."

CRASH KILLS 2

TWO women passengers aged 19 died after a car crashed into a wall in Lyndhurst, Hants, around midnight on Friday. The male driver, 21, and another female, 19, were injured.

TODAY'S WEATHER

Elsewhere, it'll be wet and wild with rain spreading slowly from the northwest with showers following. The south should stay drier and brighter than most.

By Monday the rain should have cleared in the southeast, while wintry showers abound in the north.

Kym claims Her Majesty ogled boobs

CORRIE babe Kym Marsh has claimed that the Queen stared at her BOOBS!

The actress says that when they met Her Maj copped an eyeful of her 32D assets.

The 38-year-old (*above*) was in the band Hear'Say when she met Lizzie at the Royal Variety Performance in 2001 while wearing a sexy, revealing dress.

Kym revealed on TV show *Never Mind The Buzzcocks* on Monday: "We did the thing at the end when you meet the Queen.

"I had this really low-cut dress on and she kind of just went, 'Very well done' and just stared at my boobs."

The brunette announced her engagement to personal trainer Dan Hooper last weekend.

Ghost puts the willies up Katie!

TERRIFIED Katie Price is living in fear of a SMELLY ghost that makes her house STINK.

The glamour model is convinced her gaff is haunted by an evil spirit.

And the babe (*above*) says the spooky visitor leaves a nasty pong in the dusty old mansion she's just moved into with hubby Kieran Hayler.

Katie, 36, revealed: "We haven't unpacked yet and the place is a nightmare. I keep smelling cigarettes. I Googled it and spirits normally smell of smoke and flowers.

"I am getting a medium in. Because we're knocking things down we're disturbing the spirits.

"I am 100 per cent sure there's a ghost."

Katie is no stranger to having the willies put up her, having appeared in a saucy home-made sex vid.

MONDAY

CONSERVATIVE toff Lady Jenkin lands herself in hot water by saying "poor people can't cook".

The row simmered all day then boiled over when she gave an ill-advised radio interview.

For the benefit of poor people: "simmering" is a gentle form of boiling, but "boiling over" is when the liquid escapes the pan. Basically, just imagine putting one of your horsemeat lasagnes in the microwave for double the recommended time.

TUESDAY

THE CIA admits to torturing suspected terrorists in the wake of 9/11.

One particularly gruesome technique, called "rectal infusions", involved shoving puréed food up a victim's anus.

You've heard of taking your food in a doggy bag? Well, this was taking your food in a doggy style.

WEDNESDAY

THERE are claims that the boxing champ Floyd Mayweather Jr witnessed his friend shoot his wife then himself dead during a mobile video chat.

Obviously the world of professional boxing was shocked and horrified by the news.

Imagine how much you could have got for that on pay-per-view!

THURSDAY

A PLAID Cymru politician calls for the Welsh Rugby Union to stop fans singing the Tom Jones hit *Delilah* before matches – as it trivialises violence towards women.

Too right. And then the English should stop singing *Swing Low Sweet Chariot* in case it encourages boy racers.

And also because it's a fklng dirge.**

FRIDAY

A BRIGHTON school offers sociology students the chance to swot up on aggressive, drunken working-class men – by taking a field trip to watch Millwall FC!

Sounds about right.

Meanwhile, if the language students want to practise their Chinese, Urdu or Norwegian, they can always go to the next Manchester United home game.

TAKE That had their *Greatest Day* ever – after getting up close and personal with a PORN star!

And jammy singer Howard Donald even got his mitts on saucy model Dannii Harwood's big BOOBS!

The boyband, also featuring Gary Barlow and Mark Owen, opened last night's live *X Factor* final at Wembley Arena with a rousing rendition of their hit *Rule the World*.

But the lads almost experience a *Flood* in their underpants when Dannii took a *Shine* to them at a showbiz bash.

One thing's for sure, Welsh lovely Dannii isn't exactly made for a prudish, primetime ITV audience.

Knickers

The gorgeous pin-up, 32, appears in slippery girl-on-girl shoots and vids, and also sells footage showing her fingering her downstairs regions online.

The 32F beauty was all too happy to let Howard, 46, run his black marker across her breasts as he autographed her top rack.

She later took to Twitter to exclaim: "F**K Cannot get @HowardDonald autograph off my boobs!"

And if Mark, Howard and Gary want a saucy reminder of their encounter with the buxom blonde, they can always buy a pair of her used knickers from her official website – for the princely sum of £75.

Our source close to the group said: "Take That fans are typically middle aged women with a husband in tow, so it was a refreshing change to meet a groupie like Dannii!"

It's Agger-ny for Dan as dog dies in a dryer

DANIEL Agger has a bone to pick with a dog grooming salon...after his beloved family pet was cooked to death in a dryer.

The Liverpool legend ended an eight-year Anfield spell in August when he rejoined Danish club Brondby.

But the 29-year-old dad of two (*above*) felt he was dogged by misfortune after his WAG took golden retriever Charlie for a tidy-up in Copenhagen earlier this month.

Agger's wife Sofie Munthe posted the mutt's picture on Instagram and wrote: "We lost Charlie and our family are totally heartbroken. He went to the groomer and never came home again. They put him in some kind of dryer box, and we still don't know if they forgot him or the machine had a fault.

"We are shocked, and still can't grasp that our dog had such pain like that and then died. Dearly hope anyone who has a machine like that stops using it. We'll miss you Charlie."

Denmark captain Agger made 232 Liverpool appearances.

Depardieu: I killed and ate 2 lions!

ACTOR Gerard Depardieu has claimed he ate two LIONS after shooting them dead in self-defence in Africa.

The Frenchman (above) said the incident took place when the car he was travelling in broke down in Burkina Faso.

Asked if he ate the creatures after they were killed, he said "Yes", according to the *Independent* magazine.

He said: "The two lions waited in front of us and wouldn't move. Hours passed, we couldn't get out of the car, the African driver was very afraid.

"We had no choice, we had to shoot them."

Depardieu also spoke about an incident in 2011 when he was kicked off a flight after he was caught short waiting for take-off and urinated in a bottle.

The 65-year-old said: "I urgently wanted a piss. The hostess blocked me with her foot, so I pissed in a bottle."

HO, HO...NO!

I CAUGHT SANTA... HANGING OUT THE BACK OF MY MAM!

FATHER XXXMAS: A Santa, not unlike the one who did Bethany from behind

SUNDAY Sport REAL LIFE

WE'VE all heard the Xmas tune about "mummy kissing Santa Claus"....

But for Henry Peters this fantasy became a NIGHTMARE – after he caught St Nick STUFFING his STEPMOTHER.

The betting shop worker says he heard "strange slapping sounds" coming from the living room of his dad's Middlesbrough home on Thursday evening.

Henry then crept downstairs and discovered several items of women's clothes strewn across floor.

What happened next has left him shaken and 'suffering from the most terrible of nightmares'.

Because the 27-year-old was horrified to discover his father's wife Bethany, 49, having sex with another man... who was dressed in an expensive Father Christmas outfit!

He sobbed: "Dad invited me to stay over at his place to keep Bethany company while he was out of town on business. But I got there late and I don't think dad had told Bethany I was visiting.

"In the early hours of the morning I heard some weird noises from downstairs – all squelches and yelps – and I thought the dog was being sick.

"But when I went to see what was going on Santa telling Bethany how she was a 'very naughty girl'.

Doggy-style

"He had his red trousers around his ankles and his big hairy arse on display as did Bethany doggy-style over the sofa. Whatever gift he was giving her, she was really enjoying it. I ran away when I heard him bellowing, 'Ho... hooo...OOOOAHHHH'."

Henry was later forced to break the terrible festive news to his distraught dad, Karl, who has now split from hairdresser and mum-of-one Bethany, kicking her out of their home.

The bearded bonker – who is thought to have met Bethany at a fancy dress party – has not yet been identified.

But Henry, who lives in nearby Yarm, says: "When my dad finds out who Santa is, it won't be Rudolph who's got a red nose – that bastard's conk is going to get smashed to bits by dad's clenched fist!"

Last night, Bethany declined to answer when offered the opportunity to comment.

THE VOICE OF YOUR BRITAIN

Sorry saga shows firms have to act

THE time has surely come for Britain's supermarkets to face up to their social responsibilities.

After many years of making vast profits – and devastating independent retailers – the large grocery groups have a position of incredible power.

In recent months we have seen that power come close to being abused, whether it be by sloppy accounting methods or encouraging Black Friday rioting.

But surely, when penguins start being stolen from our zoos, it is time for big retailers to look to their consciences. And it is time for us, as a society, to act.

The John Lewis Christmas advert is as much a part of the festive season as drink-drive warnings, overwrought girls sobbing at parties and family resentments.

So when they produced a commercial featuring a penguin, they must have considered the possibility of penguin theft.

Indeed, Sunday Sport warned of this many weeks ago.

Now we see the spectacle of bridegroom Mike Elliot, hauled before the courts for that very crime.

Yes Elliot, emboldened by liquor, stole the penguin. He is responsible for his actions.

But can John Lewis, in all honesty, claim to be completely innocent in this sorry business? They created penguin mania. Now our courts have to deal with the aftermath.

With great power comes great responsibility.

House of horror

THE chamber of the House of Commons is the place where our democratic freedoms are upheld by our elected representatives.

It is, quite frankly, the heart of our nation.

So the idea that an MP watched the vile fetish movie Two Girls, One Cup in the chamber – as we report on page 13 – is sickening.

Not as sickening as Two Girls, One Cup, mind you.

GROOM STOLE PENGUIN FOR STAG NIGHT DARE

Man banned from coffee shops after tugging raps

A MAN has been banned from every coffee shop in a city for carrying out lewd acts in front of young girls.

Yusef Khan was convicted in August of performing two lewd acts at Costa coffee shop in Cribbs Causeway, Bristol.

He was given a three month prison sentence, suspended two years, with supervision and an counselling order.

But it then emerged that, while waiting to be sentenced, the 67-year-old struck at a local Starbucks.

Khan pleaded guilty to exposure.

Recorder Ignatius Hughes QC deferred sentence on him for three months and banned him from coffee shops in the meantime.

He told Khan, who had previous with indecent exposure: "You've really got to engage with the programme you are involved with and stop doing this. It must stop."

The court had heard that a 15-year-old girl and her friend drinking coffee in the Starbucks, noticed Khan performing a sex act and called the police.

When arrested he told police he touched himself intimately to comfort himself.

Ariana: I love big black balls

SEXY pop star Ariana Grande shared a BALLSY secret with Ed Sheeran last week.

The pint-sized singer, 21, dished out a dirty joke backstage at the Victoria's Secret Fashion Show in London.

And during an interview with US radio, *Thinking Out Loud* star Ed revealed what the joke was.

The 23-year-old said: "Can I tell you why I was laughing? Basically, there were all these big, inflatable bouncy black balls bouncing around in the crowd.

"And Ariana comes up and stands next to me, and just looks at me and goes, 'I love big black balls.'

"In my head I was like, 'If she knows what that means then I love her, and if she doesn't… it's even better!'"

Neighbours reported 'strong smell of fish' – court told

A GROOM sneaked into a zoo and kidnapped a PENGUIN after being egged on by pals during his stag night, a court heard.

Drinking buddies gave boozy Mike Elliot a leg-up over the zoo's perimeter wall, allowing him to reach the dozing Antarctic seabirds and snatch one from its poolside.

Magistrates were told that Elliot's mates had fled by the time he emerged from the zoo – penguin under his arm – and he took the bird home in a taxi.

By BARNEY SAMUELS
news@sundaysport.co.uk

Elliot (*above*), 31, kept the rockhopper penguin in his garage and fed it frozen herring.

He insisted his new wife "knew nothing" about their new lodger.

Prosecutor Hartley Grant said: "The defendant felt unable to own up to his crime and so was stuck with a penguin in his garage.

"Beyond feeding the bird fish, he had no idea of penguin husbandry. His dilemma came to an end when neighbours reported a strong smell of fish and a plaintive squawking coming from the defendant's garage.

"Upon investigation, council officials found the penguin and alerted police."

Elliot, of Alsager, Cheshire, admitted theft and two offences under the Zoo Licensing Act 1981.

JPs sentenced him to six months in jail, suspended two years, and ordered him to pay £300 costs.

Outside court he refused to comment on claims his crime was inspired by this year's John Lewis Christmas advert (*below*).

BRITAIN'S SWEARIEST COLUMNIST

HOLY SH*T!

IT'S Sunday, a day for quiet reflection and prayer. And who better to spend it with than Britain's first – and only – Tourette's vicar, the Reverend Edward Regis?

Despite being born with Tourette's – a condition that forces the cleric to swear – Rev Eddie fulfilled his dream of becoming a minister.

He's a man with a lot to say about what is happening in the world, despite his affliction. And *Sunday Sport* has made a vow to publish his Godly views – UNCENSORED and UNCUT!

Jesus would not approve of CIA – *bellend!* – torture

NOW look, and I'm picking my words carefully here – *muffdiver!* – torture just isn't on!

Arsewipe! Fungy! Foreskin! Rupstick!

It's something – *AIDS!* – that civilised people should have no truck with.

*Gibbonf**k! Bonobo!*

So I was shocked to hear that the C.I.A – *bums!* – has been up to its ears in it.

*Snoutster f**kiweg! Dicks!*

I mean we all have people we don't – *wanky bellend!* – get along with but that – *frotter!* – doesn't mean you can go around ripping people's eyelids off.

*C**t-fingering cock! Clacker!*

You can go into the wrongs – *griddler!* – and the rights of it.

Soddo!

Whether the ends justify the means…

Lessie truffles!

Skinflick! Porn-roast!

But Jesus is pretty clear on this sort of – *shit!* – thing.

Craphole! Cleft! Vag!

He thinks it's bang out of order!

Fister! Cameltoe!

And I – *babycanal!* – for one, am inclined to agree with him.

*F**kers! Tit-milk! Gland!*

I sincerely hope someone gets a right rollicking about this.

Bootycall!

C.I.A is meant to stand – *fleshlight!* – for Central Intelligence Agency.

*Pipesmoker! F**kbrains!*

But it could just as easily – *flange!* – stand for Clearly Insensitive Agents!

Cockweasel!

Kate so nice to – *rectum!* – her 'equals'

ISN'T Kate Middleton lovely?

Bumfun! Arse-beads!

And isn't she – *boobs!* – doing Britain proud on her trip to the United States?

Clitbox! Backscuttle! Yakker!

Rectum!

Kate's too gracious – *f*pits!* – to rub their nose in all this torture nonsense,**

Slag-kayak! Pubes! Winkle!

And wasn't it nice how she – *turd!* – met America's so-called "royalty" – *pinklobes!* – Beyonce and Jay-Z?

Doxy furburger!

And treated them just like they were her equal?

Crapfarts!

Cheer up – *f**kcanoe!* – it's Xmas!

WHEN you are a vicar – *poots!* – you get asked all sorts of very tough questions.

Cockring! Bullshit! Muddy wader! Kanks!

Why has my kitten died?

Funster!

Why does my husband not love me anymore?

Randyrutter! Cock! Wanksock!

Recently though most of my parishioners – *pervs!* – are talking about the weather.

Badgerbother!

Parkflasher!

Or more precisely, the "weatherbomb".

Shitter! Spats!

Why has – *dirty old fingers!* – God made it so cold?, they whine.

Splayed bitch!

Are we being punished?

*F**kcanoe! Grubby bellends!*

Of course not – *hoary pecker!* – I tell them. God moves in mysterious ways, doesn't he?

*Wilf**ks! Avocet! Tugger!*

So stop asking such silly questions – *spank! Furble!* – and cheer up you stick-in-the-muds.

Whoretoaster!

After all, it's nearly Christmas!

Kim K's arse painted with Danish cock

ARTIST Uwe Max Jensen has recreated one of celebrity babe Kim Kardashian's nude photos – using his PENIS as a paint brush.

The Danish eccentric said: "It is hard to do an entire canvas using only one's 'natural brush'. If one is ill-equipped, it is difficult to reproduce the small details.

"But if one is well-endowed, it is easier to produce a better painting."

Jensen, like most artists, is an oddball.

He once recreated perhaps Denmark's most-famous landmark – the Little Mermaid in Copenhagen – by posing NAKED on a rock at the seaside.

One Danish art critic commented: "The man is a prick."

Onesie woman boobed in fight

A WOMAN wearing nothing but a leopard-print onesie flashed her boobs in a street bust-up.

Sherizanne Alana Bowen, 42, was enjoying a night out with friends when a scuffle broke out with a bouncer.

A court was told Bowen "didn't seem embarrassed" when the front zip on her outfit came undone and her breasts flung out.

The court heard Bowen at a pub in Haverfordwest, west Wales, when she became violent towards two door staff.

A man tried to restrain her and grabbed hold of her onesie. The top half of her body was exposed, showing she wasn't wearing any underwear.

She also kicked a cop who'd been summoned.

Bowen, of Milford Haven, admitted assault on September 21 and was given an 18 month order.

LEZZING IT UP

LIP-smacking Cheryl loves a lady snog – as seen here while laying a smacker on bandmate Sarah Harding. And Cheryl LOVES it when other babes tell her she looks 'hot'.

Cheryl revealed: "I find compliments from women are far more genuine than from men.

"If a guy says,'You look hot', that doesn't do anything for me. I much prefer a woman to say it."

BOOBS

THERE's no denying the splendidness of Cheryl's top rack – God was feeling particularly generous on the day he made her.

And while she's tried hard to keep her assets under wraps, they came tumbling out of her top in 2006 during a night out with ex hubby Ashley.

Cheryl loves her funbags, too.

Speaking about a recent weight gain she purred: "I've got my boobs and bum back and, yeah, I like it. I think it's sexy."

SEXIEST STAGE GEAR

CHERYL's dress designer clearly takes the 'less is more' approach.

And seeing her buttocks and cleavage wobbling around in barely-there clothes has made her songs just about watchable all these years.

While performing on *The X Factor* in November this year she also appeared to suffer a wardrobe malfunction, with fans taking to Twitter to ask: "Was I the only one in the house that saw Cheryl's nip slip?"

more than enough eye-candy to ogle!

Unwell Mel pulled-out of Saturday's show with 'extreme exhaustion', and is now also a doubt for tonight's live final, due to be screened on ITV at 8pm.

Singer and former *X Factor* judge Tulisa Contostavlos, 26, was drafted-in as a replacement, despite being given her marching orders by Simon Cowell in February last year.

But while Tulisa is well worth a squirt, she's no Brave Cheryl.

The pop Geordie has one of the best bodies in Britain and an all-natural rack to have you singing the high notes.

Not content with being proper fit, brave Cheryl – who shot to fame in Girls Aloud way back in 2002 on ITV's *Popstars: The Rivals* – is also keen to discuss her SEX life.

And while her choice in former husbands is questionable – we're looking at you, Ashley Cole – you can't fault her dedication to flashing, be it her gusset, arse or NIPPLE!

Here we take a look at the 31-year-old's greatest ever moments.

And just think, lads, come 10pm tonight you can wrestle control of the TV remote back from the missus!

UNDIES

CHERYL just loves showing the world her smalls – just look at this snap of her in the back of a cab back in 2005. And Cheryl says she's a huge pants enthusiast.

Denying claims she's got a 'lucky' set of knickers, she recently said: "Ha, I couldn't do that because I never know what I'm going to be wearing in advance – I always have to bring loads of different underwear."

FLASHING ON THE TOWN

CHERYL has been wowing the red carpet since this shot from 2005 and she doesn't show any signs of slowing down soon.

It's bizarre, then, that she recently SLAMMED singers who wear skimpy clothes.

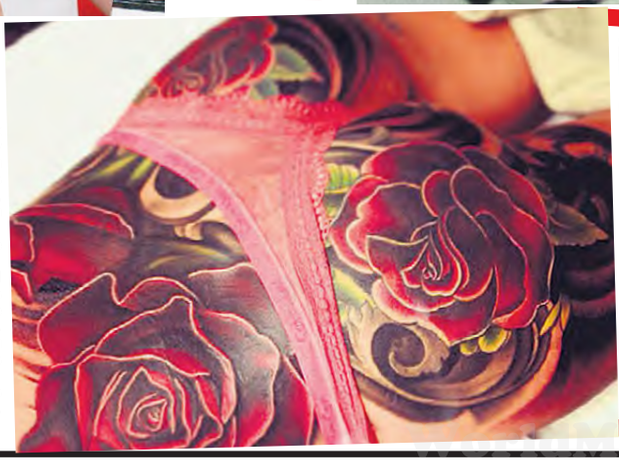
SEX TALK

CHERYL on nookie: "Sex makes me happy, money doesn't. I think most men prefer to hear little breaths rather than big loud screams, otherwise you sound like a porn film.

"I am a woman and I like sex."

Sarah Harding on Cheryl: "I think Cheryl has got as lesbionic thing for me. She probably secretly fancies me. She's always grabbing my bum and kissing me on stage. She's so naughty."

When asked if she 'waxes or shaves', Cheryl said: "Wax. Everywhere? Yep!"



TWEETS

TATTOOED Cheryl left fans speechless after showing off her intricate ARSE inking in August last year, and her five million followers are treated to the odd cleavage pic, too.

But don't ask her to take a 'selfie'.

She moaned: "I think it's rude when people are so wrapped up in their phone.

"I actually have a rule when I go for dinner with my girlfriends, we all put our phones face down and whoever checks theirs first has to pay the bill."

POST OFFICE SETTLE BBC DWARF CASE

A DWARF actress who found fame on TV's *Life's Too Short* has sued the Post Office for 'disability discrimination' – because she couldn't reach the chip-and-pin machine!

Diminutive Kiruna Stamell, who stands at just 3ft 3in, successfully argued that her small stature makes it impossible for her to punch her PIN into the card reader.

And in light of her case the Post Office is now making 11,000 of its branches more accessible to shortarses.

The titchy 33-year-old thesp, who has also appeared in *EastEnders*, said: "It was really embarrassing because there was a large queue of people behind me.

"I just wanted to be able to put my pin in like everybody else and post a letter, and withdraw cash. Staff were improvising random steps out of cardboard boxes and it was really quite humiliating."

She's claiming 'discrimination due of a failure to make adjustments to accommodate her restricted height'.

Post Office director Mark Davies said: "In Kiruna's case we've listened to the points that she's raised with us and we've taken action."

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal writes for Sunday Sport

SO Katie Price has revealed she plans to pose totally NUDE for Playboy next year. I hope the issue comes with a public health warning because I don't want to be throwing up my breakfast after looking at her stale bacon sarnie!

Her husband Kieran Hayler has vowed that 2015 will be a new, happy start for the couple.

Yeh, I'm sure that will change once they need some press or a new reality TV storyline! Yawn.

RICKY Rayment has released a charity single called *Not That Easy*, which is pretty ironic considering the majority of the *The Only Way is Essex* cast ARE!

The *TOWIE* bad boy (according to the scriptwriters) is donating 20% of the dance track profits to a Parkinson's charity.

It's all in good fun, for charity and Ricky isn't that deluded that he thinks he's the new Eminem, so can the internet trolls please sit down. It's actually a pretty good track!

POSSIBLY the most pathetic TV show since *Splash* has revealed its "all star celebrity line up" – or in other words, a bunch of skint Z-listers who have to embarrass themselves to earn a bit of wonga!

The Jump is back! Yayyyy! Brain-dead Joey Essex, some fella from *Gogglebox*, JLS turkey seller JB Gill and Beatle Sir Paul 'Macca' McCartney's "interesting" ex Heather Mills (*left*) are part of the show, presented by Davina McCall.

What a sad excuse for an entertainment show, eh?! Watching a gang of no-marks learning to ski! Why do we even pay a TV licence??

I'll only be watching this if JB Gill falls off a snowy cliff, head first, Stacey Solomon's head remains still AND she stays mute – and if someone uses Heather Mills's prosthetic leg to go down the slope!

HIP Hop royalty Puff Daddy/P Diddy or whatever his name is nowadays has received loads of love online after it was revealed he punched fellow rapper Drake outside a nightclub.

Apparently the pair argued over a song and things got very nasty. Drake (*below*) was given a left hook outside the Miami club and the internet went mental!

Drake haters laughed about it and gave P a virtual High 5!

Not being funny but I once fingered a cheeky girl (lower case) outside the Embassy Club in London. Nobody praised me on Twitter. I'm feeling left out here!

A nip down memory lane!

By JOSEPH SCRIMSHIRE
joseph@sundaysport.co.uk

EX-GLAMOUR model Ruth Higham has all the qualities of a perfect woman – so you'll be shocked to hear she once got DUMPED on live TV!

The busty babe appeared as a contestant on ITV's camp classic *Blind Date* in the late-90s, but was left disappointed after being booted off in the first round.

She wasn't heartbroken for long. though, because she quickly won the hearts of our nation's men…as a topless pin-up!

Ruth, from Harwood near Bolton, Lancs, retired from modelling in 2004 but is still fondly remembered by *Sunday Sport* readers.

She regularly appeared in the pages of Britain's BREAST newspaper and gained a reputation for raunchy sex confessions!

Nuts

The 36-year-old was also a fave of pub landlords due to her promoting of Big D peanuts.

Her scantily-clad snaps featured on the famous Babe Board, and her eye-watering curves were gradually revealed as more bags were sold.

She was also associated with a testicular cancer awareness campaign and its slogan, "Say NUTS to cancer!"

And in 2005, the cheeky model starred in a television advert for BT with *Top Gear*'s Jeremy Clarkson.

She said: "I love being a glamour model. I've always said: if you've got 'em, show 'em off!"

'Dirty bastard' butcher filmed nude at salon

A WOMAN who stripped naked in a tanning salon looked down to see a male hand come under the partition – taking photographs of her on his mobile phone.

Butcher Garry Kay was challenged by the woman, who screamed, "Oh my God, have you just taken a picture of me you dirty bastard?" before asking staff at the Clitheroe studio to call the police.

Kay, 39, of Clitheroe, pleaded guilty at Blackburn Magistrates' Court to voyeurism and was sentenced to eight weeks in prison, suspended for 12 months.

He was also made subject to community supervision for 12 months and must pay £500 compensation to his victim and £165 costs.

Kay must also sign the Sex Offenders' Register for seven years.

Garden w*nker banned by mum

A MAN was arrested for pleasuring himself in his front garden... after his mum banned him from watching porn and wanking indoors.

Anthony Smith was arrested outside his home in Miami, Florida, after neighbours called cops to say he was naked and jacking off.

The 21-year-old was charged with indecent exposure, but told cops his mum had stopped him from masturbating in the family home.

IT'S THE RIDDLE THAT'S GOT WESTMINSTER BUZZING..

WHICH MP WATCHED 2 GIRLS 1 CUP DURING PRIME MINISTER'S QUESTIONS?

POODUNNIT: The sick fetish film became an internet hit

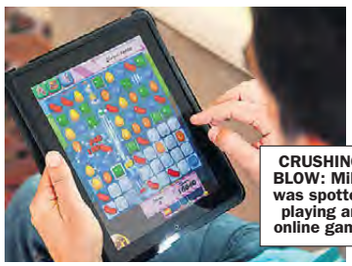
By SIMON DEAN
simon@sundaysport.co.uk

A LEADING Member of Parliament watched the revolting *Two Girls One Cup* fetish video during Prime Minister's Question Time, we can reveal.

Westminster has gone into meltdown over the sensational claim, which comes just days after Tory MP Nigel Mills was caught playing Candy Crush in a Commons committee.

One insider said: "From what I have heard, the person caught watching this disgusting clip has held ministerial rank, though it is not clear if they are a current or former minister.

UPSET: Theresa May



CRUSHING BLOW: Mills was spotted playing an online game

"I would imagine when their identity comes out, they'll have no option but to resign.

"Our constituents send us to the House of Commons to claim expenses and get drunk – not to watch *Two Girls One Cup*."

The contents of *Two Girls One Cup* is too upsetting to describe in a family newspaper on the Sabbath.

Excrement

But its Wikipedia entry reads: "*2 Girls 1 Cup* is a one-minute viral shock video found on the internet. The video is a trailer for the 2007 Brazilian scat-fetish pornographic film *Hungry Bitches* ... and features two women defecating into a cup, taking turns in what appears to be consuming the excrement, and vomiting into each others' mouths."

A Westminster legal source said: "It's not yet been tested in court, but I would imagine this video is probably illegal to watch.

"I have no idea who'd have been watching something as horrifying as this. My money's on Home Secretary Theresa May."

Last night a Home Office source became rather upset when we asked if Ms May had watched *Two Girls One Cup*.

Mills apologised after being seen playing online game Candy Crush Saga for two-and-a-half hours while at Commons Work and Pensions Committee meeting.

SULTRY minx Sammy Braddy might like wearing kinky lingerie in the bedroom, but she loves going COMMANDO even more!

The busty 32GG lovely says she's a master in the dark art of boudoir seduction.

And Sammy, from Colchester, Essex, says she loves to surprise her man by wearing stockings and suspenders…and absolutely no knickers.

Ultimate

Gorgeous Sammy, 30, told us: "For me, simply lingerie like a little thong and see-through bra is the most effective, so you don't have to struggle removing it!

"If you're really special, I may go commando to give you the ultimate surprise."

Sammy reckons blokes ought to dress to impress too, adding: "Men should always make an effort to dress well. If we like what you are wearing, we're more inclined to rip it off!"

Casualty Adele topless

EX-EMMERDALE babe Adele Silva made a welcome return to the small screen last night.

The former Woolpack hottie appeared in a festive episode of hospital drama *Casualty* – playing a character called Holly Mable.

But the actress was only making a one-off appearance in the A&E show as she prepares for the biggest role in her life – motherhood.

Adele, 34, is five months pregnant with her first child and turned down a chance to make another return to *Emmerdale* – as sexy superbitch Kelly Windsor – to prepare for the birth.

The stunna – once snapped sunning her pert boobs on holiday in the Med – said: "I'm excited but I always touch wood."

Adele returned to the soap for a brief stint back in 2011, and said at the time: "I absolutely loved playing Kelly.

"Whenever Kelly is around she's always caught up in something, which makes her a lot of fun."

Kelly had some of the soap's most controversial storylines – including dating one of her teachers and an affair with her own STEPBROTHER.

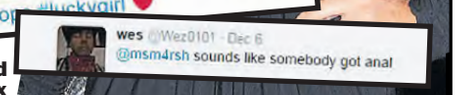
HOUNDED: Babes get tweets from sex people



By JUSTIN DUNN
justin@sundaysport.co.uk

A TASTY trio of *Coronation Street* babes found themselves at the mercy of harsh Twitter sex banter yet AGAIN.

Their shared agony involves a BLOWJOB request, a suggestion of BUM LOVE, and something about a CHEESE TOASTIE that we're offering advance warning of NOW before you read about it further!

Weatherfield stars Catherine Tyldesley and Kym Marsh along with ex-cobbles cutie Michelle Keegan were once more targeted by sharp-tongued wags after posting perfectly innocent updates.

First up was Kym, 38, who plays Rovers Return barmaid Michelle Connor. The actress has been celebrating her recent engagement to boyfriend Dan Hooper, 31, and has been keeping her followers up to date with events.

Last week she tweeted: "*Has (sic) the most amazing night last night with @Dan_Hoops #lucky girl*", to which follower @Wez0101 parped back: "*sounds like someone got anal*"

Later pin-up Michelle, 27, went on to Twitter to ask her 2.6 million followers to vote for her fiancé Mark Wright as he waltzes his way to the finals of BBC1's *Strictly Come Dancing*.

One follower refused and branded ex-*TOWIE* star Wright a "bellend", while fellow Keegan fan @VillyWonka3 said: "*if you suck my dick I may drop him a cheeky vote.*"

Virginity

Finally it was the turn of curvy Catherine, 31, who plays knickers factory boss Carla Connor's busty PA Eva Price. She took to the social network after watching campmates in *I'm A Celebrity... Get Me Out Of Here!* talk about the time they lost their virginity.

After seeing former Conservative cabinet minister Edwina Currie, 68, talk candidly about her first time, Cath tweeted: "*Edwina is allowed to have sex!! Oh dear God...*"

Fan Diggle_MUFC replied: "*Imagine going down on her. It'd be like trying to prise open a cheese toastie.*"

Corrie babes are regularly targets of near-the-knuckle tweets from admirers.

Catherine once complained about a man tweeting her pictures of his KNOB, while beautiful Michelle – whose character Tina McIntyre was killed off in the summer – is constantly having lewd suggestions sent to her.

One production source said: "This, sadly, is the world we now live in. You just have to hope that these people will grow up one day."

A MAN was injured in Amsterdam when a pop-up toilet "exploded" out of the pavement, raising up a moped several feet into the air before it toppled-off, pinning the shocked victim to the ground.

The toilets are designed to be used at night by clubbers to prevent them from urinating in the streets and then disappear into the ground in the morning.

VANUATU

POLICE arrested at least 20 people over the hanging deaths of two men – accused of SORCERY.

Local newsman Tony Wilson said: "It has taken everyone by surprise. There's a lot of people shocked by it. Cops here are shaking their heads in amazement."

Loner tossed in bogs and asked for sex

A "LONELY" man who masturbated in women's public loos and pestered them for sexual services has been jailed.

Yook Suk Choi, 36, was seen by a lady inside public toilets on September 1 this year "standing there masturbating".

Just one hour later, a woman came out of the nearby public toilets at Waimairi Surf Club near Christchurch, New Zealand, when she was approached by Choi.

He asked her if she could take him into the women's toilet and perform a sex act on him.

On the same day, a woman was walking home in New Brighton when Choi stopped and asked for directions to the women's toilets.

When she questioned him, he repeated his request and asked her to get in the car. When she refused, Choi asked her for her underwear.

Two days later, a woman was mowing her lawn when she saw him stop his car in the middle of the road.

Concerned about his actions, she "cautiously approached" his car and he initially asked her directions to the ladies' toilets before asking for her pants.

When police caught him, he admitted the complaints, saying he was "lonely and was looking for a female to have sex with".

Choi was jailed for two months.

EDWINA CURRIE DWARF HOOKER STOLE £100...& FALSE GNASHERS

LOW TRICK: Downes admitted theft

By SIMON DEAN
simon@sundaysport.co.uk

SUNDAY Sport EXCLUSIVE

A MIDGET prostitute who stole £100 from a punter's wallet also swiped his FALSE TEETH, a court heard.

Diminutive hooker Ruth Downes – who stands just three foot six – visited the client's hotel room for a £200 sex session in June.

But as the client enjoyed a post-coital shower, the Tom Thumb-sized trollop – who is the spitting image of *I'm A Celebrity* star Edwina Currie – rifled his belongings, lifting the cash and synthetic gnashers left on a bedside table.

The client – who cannot be named for legal reasons – came out of the shower to find no trace of Downes, money or teeth.

HOT CURRIE: Edwina on *I'm A Celeb*

The tiny tart was caught after detectives reviewed CCTV from the hotel reception area.

James Kitchen, prosecuting, told magistrates: "Whatever you may think of the morality of this gentleman employing the services of a sex worker, the fact is Ms Downes was in a position of trust and repaid that trust by stealing money and my client's dentures."

The court heard that sets of false teeth reach up to £30 on the black market and thefts of the replacement choppers have been rising over recent years.

Downes, who advertises her services online, pleaded guilty to two counts of theft.

The 28-year-old from Salford, Greater Manchester, was handed six months in jail, suspended for two years and ordered to pay her victim £200 compo.

WORKPLACE JERKPLACE!

Employers lay on w*nking chair for staff

MASTUR-BREAK: EU will make all firms install wank areas for staff

IT'S been dubbed the workplace perk of the future – the MASTURBATION STATION!

From next year, employers will be encouraged to provide "intimate relaxation areas" for staff and an EU directive will make them compulsory for firms with more than 50 employees, from 2018.

Bosses will have to set aside an area with seating, "hygiene facilities" including tissues and hand sanitiser, a selection of erotic literature – and a ruddy good lock on the door.

This prototype masturbation station was an exhibit at the EuroEmploy Fair held in the Belgian city of Bruges last week.

Designer Pierre De Groot said: "There is evidence that intimate relaxation improves productivity by up to 14 per cent."

But Geoff Price of the Small Employers' Forum raged: "This ruddy tripe from Brussels will increase costs for small firms. There's a word for these bloody people: wankers."

By SIMON DEAN

WE'VE all been there – passed out after a few too many brandy and Babychams.

You would expect your drinking companions to treat their fallen comrade with compassion – but these snaps prove the opposite!

For a snoring, dead-to-the-world pal makes the obvious target for a prank.

Whether it be fags up the nose or a full-on marker pen blackface, the slowly-waking victim will be thrown into a maelstrom of confusion and fury.

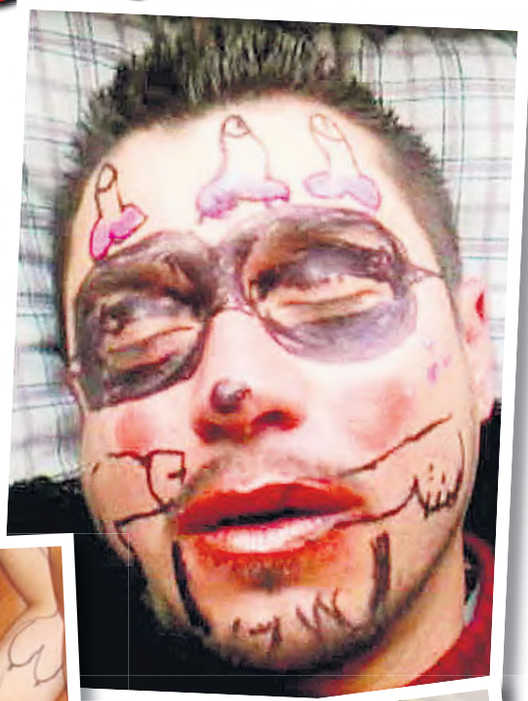
Spunk

One such victim, Hugh Arnett, raged: "I dozed off after one too many Pimms one evening.

"And when I woke up I had no idea that my chums had drawn a selection of penises on my face.

"Penises with spunk coming out of the tips and all.

"And I went home on the bloody train completely oblivious!"



PAYDAY LOAN FIRM DUG UP GRAN'S BODY OVER FUNERAL DEBT

HARD UP: Marion with a photo of her missing mum

By BARNEY SAMUELS
news@sundaysport.co.uk

A SHOCKED daughter who went to tend her mother's grave found the plot had been DUG UP and her mum's coffin REPOSSESSED!

Hard-up Marion Green, 55, had taken out a payday loan to give her mum Eunice a decent send-off when she died, aged 78, 18 months ago.

But when she lost her job, divorced Marion, of Goole, East Yorks, was unable to keep up the repayments.

She said: "I fell behind with the payments and got all sorts of threatening letters and phone calls.

"I had the shock of my life when I went to put flowers on the grave and just found a big hole. When I got home there was a letter from the loan firm saying Mum's coffin had been repossessed.

"I knew I wasn't dealing with a blue chip firm but never thought they'd dig up Mum if I couldn't pay them."

Costas Aristophanes, of Hello OK Finance said: "The lady she break the term of the loan. The loan to pay for coffin, no payment – we take coffin. In my country, is law. Same here, no?"

Aristophanes has since refused to reveal where Eunice's remains are being stored.

As it is an OFFENCE to disturb a grave without a licence from the Ministry of Justice, we have made a dossier of our investigation available to the authorities.

Last week, Labour MP Emma Lewell-Buck said a fifth of families struggled with the cost of funerals and were taking out loans to bury their loved ones.

Police probe spunk on tree wipe teacher

COPS are investigating a TEACHER who was spotted wanking by a woman, before he wiped his SPUNKY HAND on a tree.

The female witness – a nature photographer – managed to get a snap of the pervert and posted the picture on social media.

Within minutes, the perv was identified as a tutor and an investigation has been launched by the local schools' board.

The man, who has not yet been named by police, pleasured himself in front of Chantelle Visser as she waited to meet a client for a shoot in Tokai Forest in Cape Town, South Africa.

She claimed she saw the tosser perform the act behind a tree while she was in her car.

Along with the pic, Ms Visser posted: "He wiped his hands on a tree (*gag*), and then walked right past my car once again watching me, so I snapped away."

Western Cape Education Department is compiling a report.

IT took me three hours yesterday to stuff a turkey. I was so angry at the end, I could have killed it!
– Harry Hill

Blind man in w*nk shame

A MAN claimed he didn't know he was wanking in front of neighbours because he was BLIND.

Bob Feldman, 55, admitted getting a stiffy while reading a Braille version of a hardcore porn book.

But he that forgot a friend who visited earlier had left the lights on without drawing the curtains.

And two shocked women on Neighbourhood Watch patrol caught him bashing the bishop when they looked through his front window.

Feldman got away with a ticking off in Boston, Massachusetts.

But he admitted: "I was doing only what other men do and had no intention of offending anyone.

"But now I feel like some disgusting pervert and I am extremely embarrassed."

Why has John Terry bought THREE houses in Britain's DOGGING capital?

MULTI-MILLION POUND HOMES ARE ALL STONE'S THROW FROM OUTDOOR SEX HOTSPOT

SEX PEOPLE: Doggers meet up to have al fesco nookie near footie star John Terry's new mansion

CHELSEA captain John Terry has bought a house in the "Dogging Capital of Britain" – for the THIRD time.

The footballer got the keys to his new £4.35 million mansion – formerly owned by golfer Colin Montgomery – just last week.

Wealthy

The move comes less than a year after he sold his last swank-pad for a staggering £16m to an enormously wealthy member of the Oman royal family.

Before that, £170,000-a-week Terry, 33, his wife Toni and their two children lived in yet another nearby mansion, itself only sold last year for £5.25m.

All three properties are a stone's throw away from one another in the leaky enclave of Oxshott, Surrey.

Oxshott and its surrounding area is known as Britain's Beverly Hills – because of its celebrity residents including soccer stars Terry, Peter Crouch and Frank Lampard, Rolling Stones guitarist Ronnie Wood, tennis ace Andy Murray and newly-weds George and Amal Clooney.

But the 37 square mile area also includes at least TEN known areas where strangers gather for illicit SEX.

All three of Terry's homes are just a few hundred yards of a wood FAMED for dogging antics.

One dogging website advises that among the "awesome" places to meet in the area is a "semi-indoor dogging site under a building on stilts so you can dog whatever the weather!"

One Oxshott local told us: "I have no idea if John Terry knows anything about this or not.

"But if he ever has any trouble scoring he's living in the right place to put it right!"

There is no suggestion whatsoever that John Terry indulges in dogging, though he was famously accused by his ex-Stamford Bridge teammate Wayne Bridge of having an affair with his ex-girlfriend.

SOME guys' dream older woman might be a 40something yummy mummy with a perfect body while others are turned on by someone considerably older...a wrinkled chubby with grey hair and dentures!

But, d'you know what? That's great! Each to their own!

Whatever you want from an older woman we can find for you. Just text us and we'll quickly work out what you need and pair you up with one of our lovely golden oldies.

But remember, there's one thing all our ladies have in common...they all love sex with younger men...or older ones, they're really not that bothered!

That skill, that ability to drive men mad never leaves some women. However old they are, however many lines they have on their face, however saggy their boobs or flabby their belly, they've just got it...in spades!

You can text her and tell her how she gives you the horn and how you want to undress her and explore every wonderful inch of her then lose your mess all over her!

We've got hundreds of older women like her on our books...just look at the ladies on this page and think about which one you fancy the most.

Aged from 42 to over 70, we can put you in touch with ladies from all over the UK (just add your postcode to your first text message).

But be warned, these mature women are looking for frank, explicit text sex chat with younger men...and not just chats about jam!

If you've never tried sexting then this is your perfect opportunity. If you've never had a sexy encounter with an older woman then prepare to change all that!

WHY WE ASK FOR YOUR POSTCODE...

WE know that some of you guys are not bothered where a lady lives...as long as she is hot and horny and up for fun!

But many of you want to find a no-strings sex text partner who lives locally. By giving us the start of your postcode we can do this for you. We've got ladies from all over the UK so there's sure to be one living near you! You might have seen her down your street!

If you're not bothered then don't put your postcode in your first message. Easy!

Serial park w*nker asks for 'a few days in jail'

A MAN admitted that he "needed a few days in jail" after he was caught masturbating in a national park.

Andrew Gill was nabbed after a woman told park rangers that a man in a blue Honda waved at her and then "held his genitals" and "masturbated" towards her.

The ranger was able to track Gill down, and he admitted everything the woman said… and more.

According to the citation filed to court, "Gill admitted to knowing women were in the parking lot. He said she pulled his genitals out of his shorts and rubbed them and masturbated."

Gill also told the ranger he has been masturbating in parks for at least two years.

"He said he deserves a couple days in jail," the ranger wrote.

Gill, of Brecksville, near Cleveland, Ohio, has been charged with disorderly conduct.

Cops could throw the book at library tosser

POLICE are searching for a man who exposed himself and masturbated in front of two women at a public library.

The man was in the library for about an hour before he sat down in front of two women and exposed himself.

It is understood he began stroking his cock in front of the women with his genitals fully exposed.

He left the library – but was caught on CCTV (*above*) in Melbourne, Australia, once the women alerted staff.

HARRY STYLES GOT STUCK UP MY ARSE!

Kevin's mishap with 1D doll

caption in here please

By JUSTIN DUNN
justin@sundaysport.co.uk

MUSIC fan Kevin Worrall had to seek urgent hospital treatment to remove One Direction heart-throb Harry Styles from his ARSE.

The die-hard 1D fanatic had to undergo emergency surgery to extract the handsome singer's lookalike plastic DOLL from his seized rectum.

Factory worker Kev, 33, was in the operating theatre for five hours while medics teased out the figurine using a lube, forceps and pliers.

Luckily, crack surgeons managed to get enough purchase to ease it out.

An X-ray taken to assess the seriousness of Kev's problem provided the medical team with an eye-watering image of how far up his clacker-valve the Harry doll had reached.

When *Sunday Sport* knocked at Kev's static caravan on the outskirts of Wrexham, north Wales, he answered in slippers and an off-white One Direction tour T-shirt.

He claimed the hospital visit was as a result of a mishap and not "anything bad or nothing".

Bachelor Kev said he bought the £14.99 doll from Argos as a gift for his niece as part of a Christmas shopping trip.

BUM DIRECTION: Kevin and X-ray pic of his 'accident'

Kettle

He explained: "When I got back from the shops I put all the gifts I'd bought on the couch for wrapping, then went to make a cup of tea.

"Before the kettle boiled my phone rang, so I grabbed it and stepped backwards into the living room, plonked myself down on the couch forgetting that all the gifts were there, and the next thing I know I'm in absolute agony.

"The ambulance men were great and really helpful, but they were sniggering a lot and I know they think I'd been up to no good.

"But it was an accident. I swear on Harry's life."

Kev was unable to explain how the doll had come to be out of its packaging, however, and he admitted: "This isn't the first time something like this has happened to me."

FURY AT HUNGER GAMES JEN SEX DOLL

RED-FACED thesp Jennifer Lawrence is fuming after nookie aid makers created a SEX DOLL in her image.

The feisty *Hunger Games* actress, 24, has suffered a torrid year, after her private nude phone pictures were circulated by cruel hackers.

And now the *American Hustle* beauty, nicknamed 'J-Law' by fans, has had her name plastered all over a luxury 'three-hole' pleasure puppet.

Pipedream Products, who are peddling the blow-up device for £60, say: "…this blockbuster babe is ready for primetime penetration!

"There's no silver lining to her 3 love holes, but if you add a little lube they feel great wrapping around every inch of your pleasure rod! "

Pipedream boss Nick Orlandino added: "Nobody creates products with mainstream crossover appeal like Pipedream.

"The publicity we receive when one of these celebrity dolls hits the market is priceless. Our customers will definitely experience rising sales as J-Law blows up – literally!"

SO, Foggy has won *I'm A Celebrity.* My money was on Compo.

DEANO ON SUNDAY

Would you trust these arseholes to run a food bank?

HUNGRY FOR VOTES, NOT SOLUTIONS: Clegg, Miliband and Cameron

BRITAIN'S top cleric, the Archbishop of Canterbury, has ruffled several feathers by wading into the food bank issue.

The Most Reverend Justin Welby has given his support to a paper by the All-Party Parliamentary Inquiry into Hunger and Child Poverty.

The report calls for a new state body, Feeding Britain, co-ordinating state-backed food banks across the country.

Bishop Justin, you're talking out of your clerical arse.

The LAST thing the food bank movement needs is the interference of f**king f**kwit politicians and the high-spending, hand-wringing, *Guardian*-reading class of professional prodnoses.

W*nkstains

Now, I have no idea how many people who go to food banks are in genuine need or how many go because they've pissed their benefits away.

My guess is that if you go to a food bank, you're in pretty dire straits.

One way or another, the need is genuine.

So who are the best people to cater to this need? Not – abso-f**king-lutely NOT – the State.

I wouldn't trust Cameron, Clegg, Miliband or any of the other Westminster shit-for-brains wankstains to wipe their own arses – never mind feed the hungry.

How do you reckon Rev Welby's Feeding Britain quango would pan out?

First, they'd advertise in *The Guardian* for a "chief executive" – call it £100k at the going rate for prodnoses.

KEEP YER NOSE OUT! Archbishop Justin Welby

Then an office in Fancy London. Another mill a year, perhaps?

Staffing the office? Another million at a conservative estimate. Regional offices? Call it £5million.

Inviting the supermarkets to a "summit" to persuade them to hand over surplus grub? That would cost a pretty penny – country house hotels with conference facilities don't come cheap.

Then "Feeding Britain" would need a logo for all official stationery. That would come in at £50-£100k.

Then there would need to be a campaign to publicise the good work Feeding Britain is doing. Not much change out of two million quid, surely.

Spunked

So that's over £10million spunked on Vicar Justin's big idea even before one f**king tin of beans is handed out.

The alternative is local volunteers working out of the goodness of their hearts, for NO financial reward, getting food to people who need it.

No need for a tsar, no need for any Whitehall cockhat sticking his f**king oar in.

Let's not forget, Archbishop Justin's ultimate boss – that's Jesus, by the way, in case any Church of England clerics have forgotten – spread goodness and light with nothing more than a pair of sandals and the crowd-pleaser of turning water into wine.

The Good Lord didn't need state interference.

Robin Aitken, co-founder of the Oxford Food Bank who was awarded an MBE for his work, said: "Politicians should butt out.

"In what way would our food bank in Oxford have been improved by state funding and a smart new office in Whitehall?"

Will those in charge listen to Robin Aitken?

Unlikely.

Because, unlike the palace-swelling boss vicar, Mr Aitken really knows what he's talking about.

Sex scene with Blurred Lines stunna Emily

By CLAUDIA TANNER
claudia@sundaysport.co.uk

JAMMY actor Ben Affleck really *does* have his cake and eat it.

He's married to super-fit *Juno* actress Jennifer Garner, 42. Plus he also got to romp with THIS busty beauty and got PAID for it!

No stranger to getting her kit off, stunning Brit-born model and thesp Emily Ratajkowski goes topless for a drool-inducing sex scene with lucky Ben in his flick *Gone Girl*.

Ben, 42, plays Nick, a hubby who discovers his wife has gone missing.

Breasts

Thankfully he's got a couple of things to distract him from his marital woes – *Blurred Lines* video babe Emily, 23, and her truly wonderful breasts.

Gone Girl hits DVD shelves on February 2, so you might want to make sure your 'pause' button is working correctly!

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

THERE was much fun to be had last week in a new London café that sells nothing but breakfast cereal.

What the fk is the matter with humanity? Cereal in a f**king café? I'm guessing it closes at 9am every day, does it?**

Because if not, it's just a hiding place for the worst elements of sub-human scum in this country.

Cereal at breakfast time is bad enough, because it all tastes like shit. For fk's sake, how hard can it be to make some toast or boil a bloody egg?**

But in the middle of the day? In public? The authorities should be making hourly raids on this place, bundling staff and punters into a van and sectioning anyone who thinks that scoffing Coco Pops in a café at 1pm is even vaguely acceptable.

Cereal's the kind of thing you eat because you've fking well given up on life. Trust me, I should know.**

THE festive season is in full swing and the pubs are filled with revelling workers, letting their hair down as they enjoy their Christmas parties.

Or, as I call them, 'once a year pub c**ts'.

TWO hours of our TV screens were filled up with the BBC Music Awards the other night, possibly the BBC's answer to the Brits.

You have to wonder what kind of cts they've got running things at the Beeb when some f**kwit reckons THAT was a good idea.**

What's the worst TV programme that is shown at any time in any given year? Yes, it's the f*ing Brit Awards.**

So a copycat version of it is the last thing we need. Coldplay, Paloma Faith, that other one and those cts.**

Why can't they just put arm wrestling back on TV? Wankers.

THE most popular video on YouTube this year is one of a dog dressed up as a spider.

That's where we're at now – cereal cafes and dogs dressed as spiders.

We're f**ked if there's a war, aren't we?

THE MOST SHOCKING INTERVIEW WE'VE EVER PRINTED...

'When I first gave a horse oral sex I was in my twenties – it tastes like fresh hay'

DATING: Secret horse fan has been in relationship with current nag for six years

A VILE horse bonker has sensationally lifted the lid on his equine shagging sessions.

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

In a graphic and shocking interview, the 42-year-old – who has declined to be named for personal security reasons – has revealed all about his shocking love of bestiality.

A self-confessed zoophile – a person with a fetish for cross-species sex – the serial animal molester admits he's been attracted to horses from a young age.

The Canadian explained: "I started to notice horses in that way when I was 11 or 12.

Stealing

"Everyone else was stealing their dads' *Razzle* magazines, but I had a book called *The Big Book of the Horse*.

"When I first gave a horse oral sex I was in my early 20s, and one of the things I had to overcome was the thought that it's disgusting to go down on a horse, much like the way some men feel about women.

"So it was at the back of my head at the time, and it's kind of strange because there's nothing about horses that's disgusting to me.

"And, as I discovered, mares taste very, very nice, like mown grass or fresh hay, and they enjoy oral stimulation."

Since discovering his love of horse cunnilingus, he claims to have been with only seven other animals.

The latest, who he refers to as "sexy knickers", he's been "dating" for around six years.

He added: "The first time I had sex with my current mare, I let her come to me, and that's one of the things I am very adamant about: I never use a halter or any kind of restraint.

"I was sitting with my back to a wall, and she backed across to me. She actually pressed into my face hard enough that I was pinned there, performing oral sex.

"When it comes to full sex, the thing that's a problem with horses is the height difference. So, here's a little tip: Use a water bucket to stand on.

"When I was first making love to her the bucket I was on actually collapsed! It didn't go as well as I'd hoped.

"Overall, it's safer with a horse than a human. STDs are only a risk if you share horses, and I don't do that."

CAPTION CONTEST

WIN £50

YOUR entries this week had us laughing so much we BEAR-LY had time to breathe!

You all appeared to be taking a LEAF out of a comedian's joke book, and BRANCHED out with some pretty cracking gags – even if a couple of them were a bit WOODEN.

But this week's winner is our old mate **Gerry Exall** from Weston-super-Mare, with: "I wish he'd stop pandering for attention and just hang loose for a minute!"

Nice one Gerry – there's £50 on its way to you.

Of course, not everyone can grab the loot but there were many other great entries.

Robert Lewis, from Clacton-on-Sea: "That's the last time I go scrumping for apples – f*** the five a day!"

Michael Knight in Kings Lynn: "This 'have a gander for a panda' dating agency is doing nothing for me."

Phil Chater in Stourbridge: "Okay, guys, you had me... it's not a bamboo tree. Now help me down!"

Now it's YOUR turn to see if you can win a neat £50 with your wit.

Just come up with a caption for this pic, fill in the coupon and send it to our swanky HQ: Caption Contest, c/o Sunday Sport, Floor 3, Maclaren House, Lancastrian Office Centre, Talbot Road, Old Trafford, Manchester, M32 0FP.

NATALIE PUGH
AGE: 20
FROM: Derby
STUDYING: Earth Sciences
UNIVERSITY: University of Bradford
FAVE FOOD: Chicken tikka masala
FAVE DRINK: Vodka and tonic
FAVE FILM: *Star Wars*
FAVE ACTOR: Harrison Ford

JENNA HORTON
AGE: 21
FROM: Gillingham
STUDYING: Geography
UNIVERSITY: University of Bradford
FAVE FOOD: Doner kebab
FAVE DRINK: Cider
FAVE FILM: *Magic Mike*
FAVE ACTOR: Channing Tatum

WORST SEX
NATALIE: I was having sex with this guy when he slipped out of me. But he didn't notice and just carried on – he was having sex with the mattress!

I'm not sure if he climaxed, but it was horrible and I didn't have the heart to tell him. How about you?

JENNA: Mine wasn't particularly the sex, it was how I felt after. I remember waking the morning after shagging this bloke and seeing a birthday card from his girlfriend. I felt pretty lousy.

Actually, come to think of it, the sex was crap too. He put a condom on and it wouldn't fit.

NATALIE: Because he was tiny?

JENNA: Yes. I hate it when that happens.

BEST SEX
NATALIE: It was on Valentine's Day – that's the only time my boyfriend is ever romantic.

We poured champagne on each other and licked it off. Then we put some strawberries in certain places on our bodies and had some fun.

That was a good night!

JENNA: Enough of this romantic rubbish. Mine was outside on a car bonnet. There was no mucking about – we just went for it.

The car was in the middle of the street and the fear of getting caught was a massive turn-on.

NATALIE: Did you get caught?

JENNA: No, but with the noise we were making we should have done.

I haven't done it for a while outside. Maybe it's time I changed that.

FANTASIES
NATALIE: My man dressed up as a fireman, gave me a fireman's lift on to the bed and then shagged me.

There's nothing sexier than a man in uniform.

JENNA: My fantasy is that I'm on a boat which is seized by pirates. They'd take me aboard their ship and I'd be the only girl there.

Then I'd get gang-banged.

NATALIE: By dirty, smelly pirates?

JENNA: No, they'd have to look like Orlando Bloom and Johnny Depp in *Pirates Of The Caribbean* – both of them at the same time.

Now that's a fantasy!

WILLY SIZE
JENNA: It's not the length, it's the girth that is important. I'd rather have a fat, short one that a long thin one that keeps stabbing me.

NATALIE: I like wide and long.

JENNA: You would – you're greedy.

NATALIE: But if it's too long then that's scary.

JENNA: It is better short and wide than long and thin. Long and thin is like being stabbed with a pencil – that's just wrong.

NATALIE: If it's short and thin then I would feel like I've been short-changed.

JENNA: The lad certainly has.

NATALIE: So what's a decent length?

JENNA: Seven or eight inches does me.

THREESOMES
NATALIE: I don't think I could have a threesome. I definitely wouldn't have one with my boyfriend and another girl.

I'd be wondering all the time if he was enjoying having sex with her more than with me. And then there's a trust thing – I'd be thinking he might try it with two other girls.

JENNA: I think it depends on the situation. If it was with two randoms, I think it's okay.

I don't think I could do it with my partner. But two sexy boys, why not? You have got to live a little when you are young.

BUM FUN
NATALIE: No way, I think it is disgusting. Things are suppose to come out of it, not go in. It's not natural. I'm going to get gay hate mail now.

JENNA: If he had a really big one then I wouldn't because that would hurt.

But if it was really small and there was no point it going into the other one, then I would try it.

NATALIE: Would you?

JENNA: Yeah, why not?

SPIT OR SWALLOW?
NATALIE: I spit as there are too many calories in it.

JENNA: Is that true?

NATALIE: Yes, it is, and that really is my reason. It's not because I don't like it, it's the calories.

JENNA: I think a girl should always swallow because it is rude to give a present back and I never like offending people.

If you are going to do a job, you might as well do it properly.

FIRST TIME
JENNA: The first time is always special, but when you have more sex you know that it's not the best you're are going to have, but it is nice.

NATALIE: Yours might have been special, but mine was rubbish. It was not enjoyable and it was very short.

JENNA: What was, his willy?

NATALIE: No, the length of time we had sex. But saying that, what do you expect from your first time? On a positive note, it can only get better.

OUTDOOR SEX
NATALIE: I like having sex in a car. You get the best of both worlds that way.

You're not in a house but you are not out in the cold either. Once you've mastered the cramped conditions, it's great fun.

JENNA: I guess you are not talking about going dogging? It's just you and your fella, right?

NATALIE: Yeah, of course. I'm not a perv.

JENNA: I love outdoor sex and can't get enough of it. I've done it on a beach, in a park, in a field and in a shed. It makes me feel naughty.

FIRST TIME TOPLESS... SABRISSE

By JUSTIN DUNN
justin@sundaysport.co.uk

SIZZLING Sabrisse Fletcher makes her topless debut today – and even slips her knickers down, too!

The stunning 19-year-old from Hartlepool is hoping the saucy camera shots will help her land a man in her home town.

The 32C brunette said: "I have been single for a year now and one of my mates suggested I do some modelling to show off my body.

"I work out and I'm quite proud of my body, so I just thought, 'What the hell, why not?'

"I loved doing all the different poses for the photographer. It's really quite a liberating thing to do, to be naked in front of someone.

"You really get into it – which is why the knickers came off, too!"

RACHEL'S GOTTA LOTTA BOUNCE

By ALICE WALKER
alice@sundaysport.co.uk

STUNNING blonde Rachel Cole is BOUNCY in more ways than one – she's a top former gymnast and trampolining champion!

And the gorgeous lass also admits she's very flexible when it comes to her bedroom antics.

Rachel, 24, from Basingstoke, Hampshire, even represented Great Britain in gymnastics and confesses her training comes in handy in the sack.

She posed in just her knickers, showing off her cracking 32C assets as she revealed: "I trained for years in gymnastics and trampolining, and I am still very supple.

"I now do a lot of yoga, which keeps me flexible – and it definitely helps when it comes to sex – I can get my body into all kinds of positions!"

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience than our own Agony Angels! This week Bailey has been reading your letters...

Dear Bailey,

I'M a 56-year-old man with a bossy female assistant about 12 years younger.

She books my train tickets and makes my lunch every day and although I'm happily married, she's very flirty and makes me feel young and horny.

But I stupidly ended up shagging her after a boozy works Xmas do last week.

The bash was at a swanky hotel in town and she dragged me up to her room when no-one at our table was looking.

Although I was pissed on the expensive wine we ordered on expenses, she sobered me up with a sloppy blowjob.

Then she peeled off her skintight dress and unleashed her massive tits and fat, saggy arse – which I slammed into with my rock-hard five inches.

Now she is bullying me into shagging her before AND after work each day – and says she'll show everyone in our office intimate pics she took of us together if I don't carry on.

What should I do?

AL, via email

Bailey says...

GET her sacked – she's clearly after your job, you bloody fool.

Dear Bailey,

I AM a 27-year-old guy and find it hard to chat up women since I split with my ex two years ago.

I met a gorgeous girl on Facebook, but lives in Russia.

We've been chatting online for months and really get on like a house on fire.

Now she wants to visit me in the UK but needs me to send her money for a plane ticket.

My friends all think she is a con artist.

What do you reckon?

MD, Glasgow

Bailey says...

SHE could turn out to be genuine, and you could send her the money. But what if she comes over and she's not what you expect her to be? Try again to meet someone nearer home, and play it safe.

Girlfriend's pal blackmails me into sex romps

Dear Bailey,

Letter of the day

ME and my girlfriend have been together for around three years and we got engaged two months ago.

I'm 21 and she's 19 and I have one big problem – her pal.

She's really insecure and my fiancee spends a lot of time with her.

This has never bothered me because I like a few frames of snooker with my mates.

But a couple of weeks ago her mate came round to my flat when I was laid up with man flu.

Starkers

I thought she'd come to see if I was OK but she took off her coat to reveal she was starkers underneath!

Before I knew what was happening we were in bed together.

She soon had my cock rock-hard and swallowed the whole eight inches – without once gagging!

After that I went down on her, licking her vag as she moaned and tugged at my hair. It tasted lovely!

By now we were both raring to go so I traced my tongue up her body – sucking and nibbling on her massive nipples – and when my face met hers, I kissed her deeply as our tongues went at it and I slipped my knob into her.

It wasn't long before we both orgasmed heavily and then we just lay there until she said she had to go – as she had to meet my girlfriend in town.

I felt terrible.

The following Monday night, my doorbell went and it was this girl again and the same thing happened!

Since then I've told her that it must stop but she's threatened to tell my girl if it does.

She's got me well and truly by the balls.

What can I do?

FR, Co Durham

Bailey says...

Stop kidding yourself that it's all HER fault. It takes two to tango!

Dear Bailey,

I'M a married man in my mid 40s and I make love to my wife two or three times a year.

But the youngsters these bonk every minute of the day.

We live near a row of shops that include a takeaway and an off licence. On weekend nights gangs of boys and girls gather outside – smoking, drinking and swearing like troopers.

And some of them go around the back and have intercourse.

I can see the rear of the shops from my back bedroom window and I often sit there for hours with my binoculars watching these sordid goings-on.

I have seen full sex, heavy petting, oral sex and even some doggy-style action – and I think it's bloody disgusting.

One girl often leads boys around there, kneels before them and gives them oral.

I've mentioned it to the wife but she just says they're youngsters just having fun.

Should I tell the police?

VR, London

Bailey says...

YOU'RE just a Peeping Tom!

Dear Bailey,

MY bird's mum is 39 and blonde with big tits, and I'm 21.

I was in the pub a couple of weeks ago and we had a couple of drinks – and I pulled her!

We went back to my flat and she stripped off before I knobbed her. She loved being done from behind and begged me to stick it up her bum, too.

But I feel guilty – should I tell my girlfriend?

TJ, Essex

Bailey says...

NOT unless you want to be single – and get a beating from both women.

MUCH as we welcome newcomers to this isle from the snowy lands of the former Soviet Empire, some of their more challenging habits may need curbing, for the sake of social harmony.

Launching pogroms against Jewish people is, of course, one eastern European tradition we do not want to see imported.

And another is the devouring of carp for Christmas dinner.

It should be turkey, not a bottom-feeding fish taken illicitly from one of our angling lakes.

We pay tribute to our game wardens and water bailiffs who stamp out this Slavic tomfoolery.

MONKEY GANG EATS GRAN, 86

By NEIL GOODWIN in New Delhi

AN 86-YEAR-OLD grandmother died after she was attacked and EATEN by a gang of rampaging apes.

Rukhmani Kanwar (below) suffered multiple bite wounds from savage black-faced langur monkeys.

The bloodthirsty primates were seen chewing chunks out of the gran-of-13, leading to fears that the monkeys may develop a taste for human flesh.

Local authorities in Shimla, India, say that the recent ban on capturing monkeys to be sold for medical experiments has led to a population explosion. And they fear that once human flesh becomes a staple of the monkeys' diet, the march of a man-eating monkey army will be unstoppable in the Indian countryside.

Bitten

Shimla is in Himachal Pradesh province where there are 400 cases of humans being bitten by monkeys every month.

Local deputy mayor Takinder Panwar, 42, criticised the protection orders.

He said: "Our hands are tied. We're no longer allowed to cull them and, as a result, the population is too large to be supported in the wild and they come into the town looking for easy food."

But conservationists claim monkey numbers – estimated at 400,000 – only cause problems due to the rapid expansion of towns and villages.

STEVE LILLIS' KNOCKOUT BOXING COLUMN

Clev-a move to get Joe on board

FIND MY MOJO! Calzaghe *(far left)* will try to get Cleverly back on track after his crushing defeat to Bellew *(below)*

CALZAGHE BACK IN RING TO HELP OUT HIS MATE NATHAN

JOE CALZAGHE is making a boxing return to help his big pal Nathan Cleverly rediscover his fighting mojo.

Cleverly, 26, stepped up to cruiserweight last month and lost a poor fight on points against Tony Bellew, who he previously beat when he was WBO light-heavyweight champion.

The Welshman has struggled to find his best form since getting thrashed inside four rounds by Russian Sergey Kovalev in August 2013, when he lost his world belt.

Involved

Former world super-middleweight champion Calzaghe retired from boxing in 2009 having won all 46 professional contests in his magnificent career.

Although Calzaghe won't be wearing the gloves, he will be active in Cleverly's career, with the first order a return to light-heavyweight – 25lb lighter than cruiserweight.

He said: "I'll definitely be involved with Nathan, although I am not saying I will train him full time.

"I'll help him out as much as I can because he is a friend of mine and I am sure he still has other things in the sport he needs to achieve.

"He has always been a talented fighter, but perhaps is at the wrong weight.

"He needs to come back down a weight, go back to the basics and become the fighter he was. He's still young. I was not at my peak until my 30s, so there is plenty of time.

"I have not yet had a proper chance to sit down with him to see where his head is.

"But if he wants it enough he can come back because he is a fighter."

Since losing to Bellew, Cleverly has been licking his battered pride and was spotted in Los Angeles at Freddie Roach's Wild Card gym. Calzaghe added: "Bellew was nothing special, it's just that Nathan knew he didn't do enough work in the second half of the fight and that's just down to being tired.

Muscle

"And he was tired because he said he was carrying too much weight – he struggled from carrying so much muscle."

Calzaghe launched his own boxing academy this week where he plans to help teenagers combine boxing with studying.

He says: "I've dabbled in different things, but this scheme has been something we have been looking at for a couple of years to give something back.

"The obvious thing to do after retirement is to get back into boxing and manage, promote or train.

"When this idea first came up, I thought, 'I have time on my hands and want to give something back to boxing'."

SMITH NEEDS KO FOR TITLE

PAUL SMITH *(left)* will have to knock out Arthur Abraham to become WBO middleweight champion, according to his trainer.

The Scouser lost a controversial decision against Abraham in September and a rematch has been made for Berlin on February 21. Smith's trainer Joe Gallagher said: "There is no way we are getting a decision – Smith needs to knock him out."

Liverpool heavyweight David Price will also be in action on the same card.

COOK: I DROPPED A HUGE BOLLOCK!

ALASTAIR COOK acknowledged his drop of man of the match Kumar Sangakkara was damaging as England lost the sixth ODI against Sri Lanka in Pallekele.

Sangakkara – dropped by Cook *(below)* on 41 – hit a run-a-ball 112 in his last one-day international on his home ground.

It set up a 90-run success which consigns England to a series defeat with one match to play.

Cook said afterwards: "It didn't help – me dropping Sanga on 40 was a really costly drop.

"That was a really big catch to drop at that time because we'd built up pressure on them.

"It was probably a 260-run wicket and credit to him, he made us pay for that."

Cook was trapped LBW for one by Sachithra Senanayake – and despite some resilience from the in-form Joe Root (55), the tourists were all out 90 runs short.

On his own struggle for form, Cook said: "It's hard. You want to score runs and set the platform at the top of the order. I've done it before."

Warner's fined for aggression

CRICKET

AUSTRALIA batsman David Warner and India pair Shikhar Dhawan and Virat Kohli have been fined after incidents during the fourth day of the first Test in Adelaide.

Warner and Dhawan clashed after the former was bowled by a Varun Aaron no-ball.

The Aussie opener exchanged words with Aaron before returning to the crease and Dhawan then aggressively confronted Warner after the next delivery.

They were respectively fined 15 and 30 per cent of their match fees while Kohli, India's acting captain in the absence of Mahendra Singh Dhoni, was also docked 30 per cent of his match fee after remonstrating with Australia all-rounder Steven Smith. That followed an lbw appeal against Smith off Rohit Sharma's bowling, which was turned down.

The players were charged with conduct that is contrary to the spirit of the game.

An ICC statement read: "The three players admitted the offences and accepted the sanctions.

"Following the incidents Mr Jeff Crowe, from the referees panel, spoke with the two captains and reminded them of their responsibilities."

Crowe said: "Both captains agreed to take responsibility, in particular, to stop any unacceptable aggression of any kind towards opposing players."

RUGBY UNION

THE REAL SAM'S YET TO TURN UP

BATH boss Mike Ford believes it will be a couple of months before people see "the real Sam Burgess".

Former rugby league star Burgess *(below)* continued his union adaptation by making a full debut in Friday night's 32-12 European Champions Cup victory over Montpellier.

Burgess, 26 years old today, whose first two games for Bath had been as a second-half sub, played the entire game and was involved in build-up work for wing Matt Banahan's opening two tries.

"It is a couple of months away before you start seeing the real Sam Burgess, but what he has done so far has been fantastic," head coach Ford said.

"We are ready for the criticism, what he can't do and how it is too early for him.

"The plan was to put him in the back-row for the last 20 minutes, and if we had played better in the first-half we could have done that, but the game was too tight, so I kept him where he was.

"He will probably be on the bench against Gloucester next Saturday, and then there is an A team game after that and he will probably play the full 80 in that."

Punters to hit target

TOMORROW at Nottingham is the semi-finals of the National Sprint over 305m and worth £3,000 to-the-winner and you can watch it live in bookmakers shop nationwide.

Target Harris is a greyhound with outstanding ability, he's had his problems but under the expert guidance of Hayley Keightley these could all be a thing of the past.

In the heats he put in a quality performance to stop the clock in a brilliant 17.81 -30.

The scary thing is I'd suggest there is further improvement extremely likely.

The bookmakers have chalked him up at 3/1 after that display. I was more impressed than them and I think that is an early Christmas present — get on!

HOVE TODAY

An incredible card that included the heats of the Coral Olympic and some very good supporting opens for us to try and take more money off those horrible bookmakers.

Jaytee China had a nightmare at Belle Vue in the Oaks, she fell over at the opening-bend in the quarter-finals.

China beat Cashen Maureen who subsequently won the Oaks in the opening-round. I'm going to take her to beat the dogs and win the 2014 Olympic in style.

In the Maiden Stayers I like the look of Beara Hawk. He looks to have all the attributes to take a race of this calibre.

NAP - T3 Jaytee China 12.27

NB - T6 Beara Hawk 11.57

HENLOW TONIGHT RPGTV

Live on Sky channel 212 Henlow are getting in to the festive spirit with their Carlsberg Christmas Cracker 460m competition starting.

Mays King has been mixing it against high class opposition and holding his own for Richard Devenish. He would be my idea of the winner of this nice festive competition with a lot of big guns engaged elsewhere it could be his chance to shine.

NAP - T3 Mays King 20.30

TODAY'S BAGS BUSTERS: BELLE VUE

T4 Kersal Mason 11.03 - Beverly Heaton's dog has been knocking on the door of late and I expect him to strike gold this morning.

T3 Fridays Duck 13.21 - he's been beaten on his last twenty-one outings but his last victory was in A1 and today he finds himself in A5. His confidence needs a boost I've a feeling he will skip around in front and end his long losing sequence in style today.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

Third round draw has Don us proud

IT'S nice to know that all the greed and money in the game can't spoil one thing: the magic of the FA Cup.

The third round draw produced one of the best ties in decades last week when AFC Wimbledon won the football lottery with a tie at home to Liverpool.

The two clubs couldn't be further apart than when they faced each other in the final back in 1988.

The Reds side that featured Aldridge, Barnes, Houghton, Hansen, McMahon and Beardsley is arguably one of the best to grace the modern game.

Bobby Gould's Dons may have sprung the biggest FA Cup final shock ever, but anyone who knew anything about that incredible Wimbledon side couldn't help feeling a sense of inevitability about their 1-0 win.

Thanks to my Wombles-supporting cousin, and the ease at which the handful of Dons fans were able to snap up tickets at about £8 a pop, I was fortunate enough to be there in person, when Wembley was a proper football stadium, despite the famous "Rivers of Piss".

Is there a chance of the Crazy Gang beating the Culture Club again?

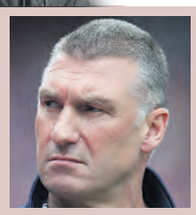
Probably not. But then again, have you seen Boy George lately? He's not looking the best.

NIGEL PEARSON was spot on when he refused to apologise to the fan he had a barney with.

If, as a supporter, you get the opportunity to give the gaffer a mouthful, you can't blame him for slinging it right back.

It's well known that the Leicester boss isn't exactly football's Nigel Havers, and we all know that nice guys come last.

Although, without a win since their famous 5-3 victory over Man United back in September and rock bottom of the Premier League, Nasty Nigel is having a real crack at bucking that trend.



RAISE A GLASS TO CLASSIC PUB GAME

THE Manchester United v Liverpool clash remains one of the stand-out fixtures in the domestic calendar.

Gary Neville's pub-team comparison was funny mainly because it goaded United boss Louis van Gaal into breaking his vow not to be drawn into controversial exchanges by the crafty English sporting press.

This may be the first time that the two sides have met when neither holds a position of power in the game, but it's harsh to compare two of the game's heavyweights slogging it out for a Champions League place to the Dog and Duck v The Red Lion.

It'll probably be more like Wetherspoons v Hooters.

WHEN I was part of the Christmas play at school, I was the star of the show.

I had no lines but sat at the top of the tree in a stupid yellow costume.

That was as far as my acting career went.

It's a shame as I always wanted to appear in a soap on telly.

Liverpool's players are looking forward to watching EastEnders this Christmas, because it will be the only place less depressing than their dressing room over the festive season.

Though I hear the show is all set for its most shocking storyline yet.

Two rival families sort out their differences calmly, rationally, and without resorting to violence – some chance of that.

That's like imagining all Scousers and Mancs getting on like best mates at Old Trafford today.

Talking of violence, the CIA has been slammed this week for torturing terror suspects.

But these Islamic terrorists don't know what torture is.

Last Christmas I got the Miranda box set.

If the US had used that on prisoners they'd have given up Osama right away.

The Queen has been recording her Christmas message this week.

Or "The One Show" as she likes to call it.

Her Maj is a fan of the darts so she'll be delighted the PDC World Champs start this week.

My cash is on Phil Taylor to win yet again and grab his 17th world title at the Ally Pally.

ROCKIN' ROBIN: Van Persie is banging in the goals again *(inset)* after struggling early in the season

BACK TO HIS BEST: Sigurdsson

GYLFI GETS

Swansea v Spurs

Sunday, 4pm – Sky Sports 1

GARRY MONK reckons Gylfi Sigurdsson is back to his best after a nightmare spell at Tottenham.

Swansea playmaker Sigurdsson is back at the Liberty Stadium after failing to establish himself at White Hart Lane.

And Swans boss Monk believes Sigurdsson will show his former club just what they are missing when Mauricio Pochettino's side visit south Wales today.

Monk said: "What we're seeing is the reason I wanted him.

BARCLAYS PREMIER LEAGUE

You're a lucky Van to have a place in my team, says LVG

LOUIS VAN GAAL has told striker Robin Van Persie he is "lucky" to be in the Manchester United team.

The Dutch striker goes into today's Old Trafford clash with old enemy Liverpool with three goals in his last three games.

But he was struggling for form earlier in the season.

Striker Radamel Falcao's injury troubles and Wayne Rooney's three-match ban meant United had to rely on Van Persie – despite him being below par.

United boss Van Gaal *(below)* said: "Of course, he doesn't play very well then, but then you have to compare with other players at the time.

"He was a lucky boy, because at that time Falcao was injured and I had to compare him with Wayne Rooney and James Wilson.

"With Rooney, I can play him in a lot of positions. Wilson is a young talent and has to show himself also in training sessions."

Van Persie netted twice in Monday night's win over Southampton to make him United's top scorer with six goals.

Van Gaal says the 31-year-old's confidence is back.

The Dutchman said: "I am very happy for him. I have a lot of confidence in him, as I have explained what I like in a striker.

"Not only making goals, but being an 'attacking point'. Van Persie is one of the best strikers at that.

"I have always played with two strikers. Only three or four times with one striker. So he was maybe lucky."

Defiant

Van Gaal has to choose between playing a back four, with Ashley Young at left-back, or sticking with the 3-5-2 shape, which could see Michael Carrick drop into defence.

Under-fire Liverpool boss Brendan Rodgers claims he is "a fighter" and will take criticism on the chin.

Rodgers must pick his players up after their Champions League exit.

Liverpool's struggles this season have seen question marks placed over whether Rodgers is the right man to lead the club forward.

But the defiant Northern Irishman says no other manager is better placed to guide the Reds out of mid-table obscurity and towards the top four.

"I think the message for me is clear, I don't think there would be anyone better to do the job here," said Rodgers.

"I certainly don't doubt myself. I know exactly where we are at and what we would need.

"This has been a difficult start with new players, less coaching time, young players, virtually starting again.

"But I don't think there is anybody better equipped to deal with that.

"Criticism comes with the territory. When you don't win games, football is very short term.

"It's something as a manager, or a coach, or a player, it pulls you together and makes you fight even harder."

GOLDEN OLDIE RICHARD HAS DUNNE GOOD FOR HARRY

Everton v QPR

Monday, 8pm – Sky Sports 1

HARRY REDKNAPP has hailed Richard Dunne ahead of the defender's return to first club Everton.

The QPR centre-back has been one of the standout performers at Loftus Road this season.

And Redknapp has highlighted Dunne, 35, as an example of his players proving the critics wrong in the Premier League.

Redknapp insisted: "Richard Dunne has been outstanding.

"I picked him up on a free last year. A lot of people wrote him off early in the season, but the whole squad has been great.

"When we got promoted last year, seven or eight of that team were starting every week.

"People will always have question marks over whether they're good enough for the Premier League, but at the moment we're doing okay.

"We need to do better, but we're pleased with the way we've been playing over the past few weeks."

Impressive

Everton boss Roberto Martinez says it's essential his side bank some points over the Christmas period as they focus soley on the Premier League.

The Toffees have looked impressive in the Europa League, but their domestic form has been indifferent.

The Spaniard has demanded an upturn in results during the festive programme.

"Initially, I wanted to focus on every game and see where that took us," said Martinez.

"Now, as it happens, we have five games in the Premier League and one in the FA Cup.

"I think we have learned the approach of taking every game separately, without looking at what competition it is, and just making sure we reach our best level.

"We are clearly missing points – that's something we are catching up with.'

TAKE-OFF AGAIN WITH SWANS

come back to Swansea better.

"When I knew I had the chance, I pushed for it. He's effective in the position he plays and his contribution has been fantastic.

"I don't think he holds grudges. He loved Tottenham and had a fantastic time.

"Yes, he wanted to play more than he did, and maybe that's his motivation to prove people wrong and show what he can do."

Excited

Ben Davies left Swansea over the summer to pursue his career in the capital.

And the left-back is finally making his mark at Spurs after a difficult start.

Davies *(right)* has started the last four league games and will make Pochettino's starting line-up today.

And he insists there will be no old pals act on his reunion day.

"I'd been at Swansea all my life before moving to Spurs, so it's the first time I've been in this this situation," said the Wales international.

"But it's something I'm excited about. I've not over-thought about it, but I am excited.

"I know a lot of people there and it will be a bit surreal. It's a big day.

"But you have to take the sentiment out of it. It's an important game for us and we'd love to get the win.

"Swansea are playing well, but we'll be looking at areas we can exploit.

"It will be tough, but we've played well on the road and hopefully that will continue.

"We'll give it our best shot."

POACHER PETE DENIES EAGLES HANDY POINTS

C Palace 1 Stoke 1

PETER CROUCH'S equaliser denied Palace the chance to put more daylight between themselves and the bottom three.

The Eagles had the game's outstanding player in Yannick Bolasie, but they could not make the most of his attacking skills and have still won only three league games all season.

Unambitious Stoke levelled through Crouch soon after James McArthur had given Neil Warnock's men an early lead – and the Potters looked happy with a point after that.

Bolasie made Palace's opener after 11 minutes, beating Jonathan Walters on the left and crossing for McArthur to nod in his first goal for the club.

But Stoke replied within two minutes when Bojan drove past Joel Ward on the right to reach the byline.

LEVELLER: Peter Crouch

Wind

His cut-back found Walters and when his shot ricocheted off a defender, Crouch was there to pounce from a couple of yards out.

That took the wind out of Palace's sails at first, but Bolasie made another chance for McArthur with a clever through-ball and Asmir Begovic had to block at his near post.

Wilfried Zaha then had a confident appeal for a penalty turned down by referee Kevin Friend after his cross struck the arm of Stoke full-back Erik Pieters.

McArthur, with the goal now firmly in his sights, drew a diving save from Begovic early in the second half.

But instead of pushing for the win, Palace faded and Stoke might even have nicked all three points when Crouch hooked a late volley into Julian Speroni's arms instead of the net.

Clarets' Ash bash leaves Saints to pray for a break

Burnley 1 Southampton 0

ASHLEY BARNES fired Burnley out of the drop zone as Southampton's horror run continued.

Barnes' second goal of the season 17 minutes from time gave the Clarets their third win in six and made it four defeats on the spin for Saints.

Ronald Koeman's men only have themselves to blame after missing a penalty through Dusan Tadic and then gifting Barnes the winner.

After excusable defeats to Man City, Arsenal and Man United, this one will really have hurt. For the Clarets the only way is up as they got the win they just about deserved before facing Tottenham, Liverpool and City in their next three games.

Burnley had been the better team for the first hour, with Danny Ings keen to score against the club that gave him the boot as a kid.

WINNER: Ashley Barnes

Ricochet

He went close with a header and a long-range effort in the opening minutes.

Fraser Forster was forced into a double save to keep out Barnes and a ricochet off defender Nathaniel Clyne as Burnley pressed for the opener.

Midfielder James Hesketh's full debut for the Saints ended in tears as he went off injured – and the pain got worse when Tadic blew his chance after George Boyd tripped Ryan Bertrand 15 minutes into the second half.

Clarets keeper Tom Heaton made a superb save and Burnley were soon celebrating when Ings charged down Clyne's clearance to tee up Barnes.

The striker's angled shot should not have beaten Forster, but a slight deflection took the ball past the England man at his near post.

Brentford 3

BRENTFORD got their play-off charge back on track with victory against Blackburn.

Jonathan Douglas gave the Bees the lead against his former club on 16 minutes when he stabbed in Jake Bidwell's cross.

In-from striker Rudy Gestede levelled when his acrobatic volley took a wicked deflection off Tony Craig to wrong-foot David Button.

Andre Gray restored Brentford's lead just before the hour, before Jota wrapped up an impressive 3-1 win for Mark Warburton's side.

Charlton 2
Blackpool 2

STEVEN DAVIES scored a late equaliser as Blackpool extended their unbeaten run to four games.

The Seasiders took the lead after 25 minutes when Nick Pope's poor punch found Chris Eagles who fired in the opener.

But the Addicks found an equaliser just before the break after Igor Vetokele was tripped in the box and Yoni Buyens slotted home the penalty.

Jordan Cousins' curler from long range put Charlton ahead just after the restart, but when Pope missed Tony McMahon's free-kick, Davies took full advantage to steal a valuable point.

Birmingham 6
Reading 1

BIRMINGHAM'S Demarai Gray hit a first-half hat-trick to set up a 6-1 rout of the Royals.

Blues took the lead after just four minutes when Paul Caddis smashed home.

Seven minutes later Gray got his first, firing low into the net.

Glenn Murray got one back for Reading, but it couldn't stem the tide.

Gray restored the two-goal cushion and soon after got his third.

Andrew Shinnie netted within seconds of the restart, before David Cotterill's free-kick flew in for a sixth.

Leeds 0
Fulham 1

HUGO RODALLEGA showed Leeds who's boss to give Ross McCormack a happy return to Elland Road.

McCormack left the Whites for £11million in the summer and he was booed by the home fans as Leeds started well.

Alex Mowatt's header crashed off the bar, hit keeper Gabor Kiraly on the back and went wide for a corner.

Kit Symons' Cottagers were without the ill Scott Parker, but they got the winner on the hour mark.

Lasse Vigen Christensen got to the byeline and the cut-back was perfect for Rodallega to smash home his ninth of the season.

A DRAW IS NO GOOD FOR EIDUR TEAM

EIDUR GUDJOHNSEN could not inspire a Bolton victory on his second coming at the club.

The 36-year-old has joined until the end of the season and came on for the final half-hour.

But the ex-Barcelona and Chelsea forward was unable to find a winner for Neil Lennon's side.

Gudjohnsen's last game for Bolton came against the same opponents – a losing Championship semi-final play-off clash in May 2000.

Mick McCarthy's men could have gone top, but they could not find a way past impressive goalkeeper Andy Lonergan.

The opening 45 minutes delivered a flat performance from both sides, with top-scorer Daryl Murphy closest to breaking the deadlock.

Bolton's No.1 Lonergan came to the rescue after the break as he smothered Jay Tabb's effort.

BAMFORD KNOCKS OLD CLUB OFF THE TOP SPOT

Middlesbrough	2
Derby	0

PATRICK BAMFORD taught his old pals a lesson as Middlesbrough knocked Derby off the top of the table.

The Chelsea striker was on loan at Derby last season and showed in yesterday's lunchtime game why boss Steve McClaren was desperate for him to return.

Instead, Bamford headed to Middlesbrough and is set to stay there for the rest of the season.

He scored their opening goal and won a penalty that was smashed in by Grant Leadbitter.

Boro went ahead after only six minutes through a goal featuring two players who troubled Derby throughout the the game.

Adam Reach pulled the ball back to Bamford, who swept in a shot that keeper Lee Grant could only turn against a post before it crossed the line.

Derby struggled to recover from the early setback as Boro's Adam Clayton and Leadbitter took control in midfield.

Aitor Karanka's side could even have stretched their lead in the 27th minute as Derby's defence was opened up by Leadbitter's superb through-ball.

Bamford's shot was pushed out by Grant, who then pulled off a sensational save to turn away Jelle Vossen's effort.

As the break loomed, Jeff Hendrick had the Rams' first shot on target, but keeper Dimi Konstantopoulos held on easily.

Powerful

McClaren brought on subs Leon Best and Jordan Ibe at the start of the second half and also added Will Hughes seconds before Boro were assured of the points in the 63rd minute.

Bamford was brought down by Ryan Shotton, bringing a red card for the defender and a second goal for Boro from Leadbitter's powerful penalty.

There could have been further goals for Bamford as Grant twice pulled off good saves, while Derby almost got a consolation goal when Craig Bryson's late effort was denied by Konstantopoulos.

Wolves	1

LEON CLARKE came back to haunt a woeful Wednesday.

The striker as he punished his former club for their wastefulness in front of goal with a late winner at Hillsborough to end Wolves' five-match losing streak.

Clarke had only been on the pitch a minute when he side-footed home Kevin McDonald's left-wing cross in the 84th minute.

The Owls' Stevie May missed a host of chances in the first half, but Wolves also had clear cut opportunities.

Just before the interval Danny Graham fired wide and then, at the start of the second half, Rajiv Van La Parra blazed wide of an open goal.

Minutes later he was thwarted by Owls' Keiren Westwood when through one on one.

Norwich	5
Huddersfield	0

A FIVE-GOAL, second-half blitz by Norwich destroyed 10-man Huddersfield.

Nahki Wells hit the City crossbar early on, but it went pear-shaped for the Terriers when defender Murray Wallace was sent off in the 17th minute for bringing down Cameron Jerome 25 yards out.

The breakthrough came 45 seconds after the restart when Johnson got a touch on a Gary Hooper effort.

Redmond nodded in another two minutes later, after replacing Gary O'Neill at half-time.

Johnson made it three when he headed in an attempted clearance from Jack Robinson, and Jerome added a fourth in the 69th minute.

Lewis Grabban netted 30 second after replacing Hooper as he grabbed the Canaries' fifth goal to hand Town their biggest defeat of the season.

Watford	2
Wigan	1

WATFORD recorded their first back-to-back wins at Vicarage Road, to leave Malky Mackay still searching for his first triumph as Wigan boss.

Sir Elton John opened the new stand named after him before the game, and on 20 minutes saw Troy Deeney head his side into the lead.

Wigan still had their moments, and Leon Barnett should have done better with a free header that was held by Heurelho Gomes.

Keeper Gomes was in action again when he blocked James McClean with his legs.

However, Chris McCann gave the Latics a deserved equaliser right on 45 minutes with a header.

A disappointing second half saw Deeney nod in the winner from an Ikechi Anya cross.

Rotherham	0
N Forest	0

STRUGGLING Rotherham made it nine games without a victory as they played out a snooze-inducing stalemate with Forest.

A drab first half briefly came alive when Emmanuel Ledesma smacked a 25-yard shot against the bar before Tom Lawrence side-footed wide from inside the area as the Millers pushed for an opener.

Dexter Blackstock headed in for Forest early in the second half, but was penalised for a foul.

On 70 minutes Reece James fired a volley from the edge of the area which Forest keeper Karl Darlow saved well with his legs, but neither side looked like scoring.

Cherries make their Marc on a title push

Bournemouth	5
Cardiff	3

GUNG-HO Bournemouth sent a five-goal Capital Cup warning to Liverpool from red-hot Dean Court.

Eddie Howe's promotion chasers beat Cardiff in an eight-goal thriller to go top on goals scored.

And in doing so the Cherries increased their unbeaten run to 12 in their quest to reach the top flight.

That will send shock waves up to Anfield where Brendan Rodgers must prepare his strugglers for a south coast visit in Wednesday's League Cup quarter-finals.

Matt Ritchie took just 39 seconds to get the opener with a firm drive to gave him his third goal in four games.

Harry Arter smashed in a second two minutes before the break after a flowing Bournemouth move.

City struck back in injury-time when Kenwynne Jones scrambled home Adam Le Fondre's cross.

But the Cherries then went 3-1 up when Marc Pugh *(above)* sent a 20-yarder over keeper David Marshall.

Thumped

Cardiff stunned the home side after the break when Sean Morrison headed home Craig Noone's cross.

Bournemouth hit back with a fourth when sub Yann Kermorgant thumped home a free-kick.

Morrison made it 4-3 with another header, before Callum Wilson sealed an eight-goal thriller for the Cherries.

WENGER'S ACE IS BACK WITH AN OLI GOOD SHOW

Arsenal	4
Newcastle	1

By DARREN WITCOOP

OLIVIER GIROUD and Santi Cazorla eased the heat on Arsene Wenger after Newcastle were gunned down.

Giroud and Cazorla netted a brace each – and the Gunners fans even sung Wenger's name to sum up the party mood. Arsenal looked intent on sending out a message that they were behind their manager.

Newcastle were second best from the first whistle and could have no complaints at slipping to this heavy defeat.

Arsenal knew they needed to ease the heat on Wenger and they almost handed their under-fire manager an ideal start via Per Mertesacker.

The giant German saw his eighth-minute header from Cazorla's corner rattle off the crossbar and bounce to safety.

But it wouldn't be long before Arsenal drew first blood via Giroud in the 15th minute.

Dominance

Alexis Sanchez, who picked himself up after a wild early challenge from Cheick Tiote, crossed for Giroud to head home.

Barely two minutes later the home fans were on their feet when Danny Welbeck netted, only for referee Lee Mason to penalise the England striker for tripping Daryl Jamaat in the build-up.

Welbeck came close again after seeing his volley from Sanchez's scooped pass fly just wide.

But for all Arsenal's dominance, it needed a fine double save from Wojciech Szczesny to keep out Yoan Gouffran and Papiss Cisse's follow-up in the 33rd minute.

Sanchez was trouble for the Magpies and it was no surprise to see him carve out Cazorla's 54th-minute strike.

The Chilean threaded a pass through for Cazorla to chip home – and four minutes later Arsenal extended their lead via Giroud.

Hector Bellerin's cross saw Giroud flick the ball home and Arsenal were cruising. But clean-sheets have been a rarity this season for Wenger's men and there would not be one here.

Lifeline

Jack Colback's free-kick saw Ayoze Perez find himself in acres of space to head home and throw the Toon Army a 63rd-minute lifeline.

It could and should have got worse for Newcastle before they fell further behind.

Paul Dummett was given a torrid time all evening and it would get no better later on when he hauled down Welbeck for a penalty.

Cazorla cheekily chipped his spot-kick home to celebrate his 30th birthday in style.

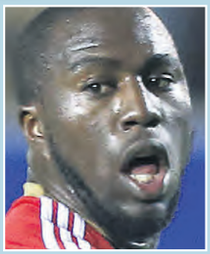
ALL THE ACTION & DRAMA FROM



FELL OVER: Jozy Altidore

Now it's miss of the season for 1-in-41 dope Altidore

Sunderland	1
West Ham	1

DOZY Jozy Altidore produced the miss of the season as draw specialists Sunderland shared the spoils for the 10th time this season.

Gus Poyet's side took the lead through a disputed 22nd-minute Jordi Gomez penalty.

But West Ham were soon level, thanks to a deflected effort from former Stadium of Light loanee Stewart Downing.

Altidore was handed a glorious opportunity to restore the lead from Seb Larsson's cross in first-half stoppage-time.

But the midfiring US international, who has scored one goal in 41 Premier League games since joining last year, fell over the ball with an open goal at his mercy five yards out.

The Hammers were rightly hacked-off as they fell behind, Adam Johnson going to ground despite no contact from James Tomkins.

Furious

It was a decision described as "fking rubbish" by Sam Allardyce as the furious West Ham boss went toe-to-toe to berate referee Phil Dowd, having had the benefit of a TV replay.**

Gomez sent Adrian the wrong way from 12 yards.

Dowd evened things up after the break when Hammers defender Winston Reid escaped with a blatant handball in the penalty area.

West Ham deservedly drew level in the 29th minute. Downing fired in a low left-foot shot which nicked off Gomez and found the bottom corner.

Altidore was hauled off early in the second half, before Adrian beat out Johnson's curling free-kick and Costel Pantilimon saved from Aaron Creswell.

Andy Carroll chipped onto the roof of the net for the Hammers, and Connor Wickham came close to winning it for Sunderland with a drive that was brilliantly touched over by Adrian.

There was still time for Carroll to thread a close-range effort inches wide.

LET'S HUG: Lampard celebrates his winner *(below)* with Samir Nasri

By IAN BAKER

FRANK LAMPARD is now an essential part of the Manchester City furniture – and Manuel Pellegrini will do everything in his power to keep him for the rest of the season.

The ex-Chelsea midfielder scored his sixth goal in 13 games since his loan from New York City.

There are doubts over exactly how long he will remain in Manchester – but last year's champions need him.

Lampard took a subdued game by the scruff of the neck with a trademark 40th-minute finish.

But Pellegrini suffered a blow as skipper Vincent Kompany – making his return to action – suffered a reoccurrence of his hamstring problem late in the game.

City lost striker Edin Dzeko in the warm-up – and the Bosnian and Kompany will be out until the new year.

Dzeko's place was taken by 18-year-old Spaniard Jose Angel Pozo.

Bottom side Leicester started the better. Esteban Cambiasso sliced a shot off target after a driving run.

Cheeky

And Jamie Vardy's pace was causing problems, with defender Eliaquim Mangala deflecting one of his efforts wide.

A cheeky 35-yard free-kick from Cambiasso came close to catching out Joe Hart as the Foxes continued to create more.

It took until the half-hour for City's first chance, with Pozo shooting straight at Ben Hamer from the edge of the area after David Silva's free-kick had only been half-cleared.

Moments later Hamer, in the side for the injured Kasper Schmeichel, made a decent stop to keep out a Yaya Toure drive from Silva's pull-back.

Pellegrini's side were improving and went on to take the lead on 40 minutes.

A patient build-up resulted in Samir Nasri crossing for Lampard to coolly flick home left-footed from six yards.

Despite conceding at just about the worst possible time, Nigel Pearson's men started the second half in

Blues bounce back with one

Chelsea	2

DIEGO COSTA and Eden Hazard put Chelsea's title challenge back on track.

Jose Mourinho's side bounced back from last week's defeat at Newcastle with a routine win over a Hull side in freefall.

Steve Bruce's troops are now second bottom after nine games without a win – and a miserable afternoon was made complete when Tom Huddlestone was sent off for an ugly 60th-minute lunge on Felipe Luis.

The slip at St James' Park was Chelsea's first loss of the season and allowed Man City to slash the gap at the head of the table to three points. And while the Blues bounced back by beating Sporting Lisbon in the Champions League in midweek, it was crucial that they returned to winning ways in the Premier League.

The Tigers were even more desperate for points. Bruce's strugglers have plummeted towards the relegation zone after a run of eight games without a win.

And they came into this clash against a backdrop of a major fall-out between the boss and Hatem Ben Arfa.

Rift

The on-loan Newcastle winger has been frozen out in recent weeks amid growing speculation he will be sent back to Toon.

Bruce denied a rift, but reports in France yesterday claimed that Ben Arfa had returned to his homeland three days ago.

That, though, was a side issue for Hull, who were desperate to stop the rot.

But their chance of springing an upset was virtually dead and buried after seven minutes when Hazard headed Chelsea in front.

Even by that stage Hull looked like they had no chance of getting anything

determined fashion as the champions looked to defend their lead.

But City nearly doubled the advantage when Silva's flicked shot just missed the target from Nasri's set-up.

Vardy had penalty appeals waved away as he went down under a challenge from Mangala.

Lampard was withdrawn on the hour and replaced by James Milner, with the game becoming subdued.

Foxes boss Pearson responded by taking off Jeffrey Schlupp and sending on top scorer Leonardo Ulloa, while Vardy tired and Nick Powell, the on-loan Manchester United man, came on his place.

Pearson was given a good reception by supporters in the club's first home game since his four-letter fury at one of his own fans at the end of the 3-1 defeat by Liverpool earlier this month.

There remained little in the way of goalmouth action to excite the fans, though, as Leicester searched for a way back into the contest.

Their hopes were boosted when Kompany sank to the turf and was immediately replaced by Martin Demichelis late in the game.

Ulloa saw a shot deflected wide after a Riyad Mahrez run as Leicester pushed hard, before Mangala and Hart got in each other's way to concede a corner.

Toure shot well wide from the angle on the break and Pellegrini's side certainly lacked the clinical touch of recent weeks.

In the end, City were left to hold on. Foxes sub Anthony Knockaert tried a 25-yard free-kick that hit the top of the wall, although Nasri went on to test the palms of Hamer on a City break.

But Leicester could not find an equaliser, with Ulloa blazing wide after Wes Morgan's header down.

from the game. They had barely touched the ball when Oscar floated over a cross from the left wing and Hazard headed in with ease.

Bruce was convinced John Obi Mikel had fouled Sone Aluko in the build-up, but ref Chris Foy ignored the complaints.

Hull needed to find a way back into the match, but Chelsea simply closed down the game.

Mourinho's side have a gruelling programme this month and took the chance to take their foot off the gas.

But Hull showed they posed little threat when they finally got a sight of goal as Aluko sliced his 21st-minute shot wide.

Nasty

The result may have been a foregone conclusion, but that didn't take the sting out of the game.

The match was developing a nasty edge, with both sets of players starting to annoy ref Foy. Willian and Costa were booked for diving, but tempers finally spilled over when Huddlestone launched into a studs-up challenge on Luis on the hour.

Foy immediately reached for his red card and Bruce couldn't look at his player as he trudged off the field.

With the Tigers down to 10 men, it was only a matter of time before Chelsea got a second goal.

And it came in the 68th minute when Hazard made a cross-field run, exchanged neat passes with Branislav Ivanovic and slipped in a clever ball for Costa to side-foot past Allan McGregor.

Gardner's the hero – but red-card Rich is the villain

West Brom	1
Aston Villa	0

CRAIG GARDNER was the derby-day hero as he twisted the knife into former club Aston Villa.

It proved to be a tale of contrasting fortunes for two players against their old clubs as Kieran Richardson's first-half dismissal gifted West Brom the initiative.

And the Baggies eventually made their numerical advantage count as midfielder Gardner scrambled in the winner 18 minutes from time.

It was a second win in 10 matches for Albion – and no-one will be more relieved than boss Alan Irvine.

The game turned their way in the 22nd minute when Richardson was dismissed for a reckless lunge on Stephane Sessegnon.

Irvine's team had a trio of penalty appeals waved away within four minutes of one another.

The best – and first – of them came in the 31st minute when Brown Ideye appeared to be shoved in the back by Jores Okore inside the six-yard box.

Ineffective

Sessegnon should have done better when Sebastien Pocognoli expertly carved his way inside before finding him with a cut-back.

But the striker's effort was straight at Brad Guzan.

It was no surprise to see Fabian Delph, out of action since October 4 with a shoulder injury, brought on by Villa boss Paul Lambert for the ineffective Charles N'Zogbia.

It was starting to look like another of those days for Irvine and his team.

No-one demonstrated more determination for the cause than Gardner, though, and he finally got his reward.

Sub Saido Berahino's cross was missed by both Ideye and Guzan, who did well to charge down Sessegnon's effort on the rebound.

The ball broke loose and Gardner made no mistake, drilling a low shot inside the left post before making a beeline for Irvine.

Carrick: We can still win the title!

MICHAEL CARRICK insists Man United can win the Premier League – even though they've been crap this season.

By BEN LLOYD

Louis van Gaal's reign as United boss started poorly, but his team have turned a corner in recent weeks – winning five consecutive matches.

They face bitter rivals Liverpool today, with the Merseysiders suffering a SHOCKING run of results and performances. But Carrick is confident United are on the right track – and could even claim the ultimate glory in May.

He said: "If we are in and around the top by Christmas or January we're right in there with a chance.

"With this squad that we have, which is gradually improving and building, anything can happen.

"It is all won and lost in the last two or three months of the season, so the aim is definitely to challenge."
